IMPORTANT INFORMATION

FOR ATHLETES

See the results board near the marquee for progressions into A and B finals – both finals earn points! You must listen to the announcer throughout the day for your events. We sometimes run ahead of, or behind time – so make sure you listen for when your event is called. Once your race finishes and you get your place card, go straight to the results tent so we can make sure we get your place.

FOR VOLUNTEERS

Thanks for helping make the carnival run smoothly! There will be times throughout the day where we require different roles at either field events or at the finish line, please listen out for the announcements!

FOR FIELD EVENTS

When your event is called please 'check in' with the event marshal and have your name recorded before warming up. In the event of wet weather, MUAC in consultation with the ICSC will determine if it is safe for competitions to go ahead and this will be communicated over the PA system.
