Melbourne University, Outdoor Facilities COVIDSafe Plan

Organisation name: Melbourne University Sport

Plan completed by: Jean-Luc Garlick

Date reviewed: 3/3/2022

Outdoor Facility Status: Open

1. Ensure physical distancing

Requirements - Ensure participants, volunteers and organisers are 1.5 metres apart as much as possible.

Action:

- Decals are in place for the 1.5m and to promote physical distancing
- Staff are educated through online training and regular meetings
- Patrons are educated through communications sent to them, website, signage and booking details
- Information is on display throughout the precinct to educate patrons about requirements to socially distance
- Routine COVID Restrictions inspections are completed ensuring all persons are adhering to the relevant directives

2. Face Coverings

Requirements - Ensure all workers and visitors adhere to current face covering requirements.

Action:

- Facemasks are not required to be worn unless:
  - In higher-risk settings where a local risk assessment has determined this is necessary, no MU Sport facilities are deemed high risk.
  - Where required by third parties (eg hospitals, primary schools, etc).
- Face masks must be carried at all times, when leaving home.

Recommended to wear:

- For frontline staff
- Where people cannot physically distance.
3. **Keep records and act quickly if participants, volunteers or organisers become unwell**

Requirements - You must support participants, volunteers and organisers to get tested and stay home even if they only have mild symptoms.

**Action:**

- Participants are required to scan QR code with full vaccination status located at entry to confirm their attendance
- Staff have been notified to contact their supervisor and the University Public Health Network if they test positive to COVID
- Clubs are advised to contact the PHN upon notification of a positive case
- The University has established a Case Management Team to notify and identify what needs to occur once a positive case is identified including close contacts: [https://www.unimelb.edu.au/coronavirus/testing-and-notification](https://www.unimelb.edu.au/coronavirus/testing-and-notification)
