Please also provide healthy snacks for your child before and after the sports activities.

What should my child bring?

Healthy morning tea, lunch and afternoon snack, **please note we do not provide food.**

Possibly a change of clothes if it is wet. A book or game to play.

It is hard for our staff to manage expectations of swapping etc. and the possible loss/damage to an expensive personal item.

No sports shoes with studs or spikes – not good on our hockey pitch which is not grass.

**Where is the camp held?**

The camps are held at the Parkville campus of the Melbourne University, at our Sports Precinct:

Is there a program of activities for the camp?

What sports do you offer at the Multi-Sport Camp?

Our multi-sport camp can include a range of sports –from Soccer, Basketball, Tennis, Athletics, Cricket, Badminton, Volleyball, European Handball, Ultimate Frisbee, Touch Football, AFL, Netball, Athletics, Taekwondo, Baseball, Softball and T-Ball.

What qualifications do your staff have?

Our staff have experience working with children. All have up to date working with children checks and we have the required number of staff with First Aid, Asthma management and Anaphylaxis management qualifications.

What are your child behavioural guidelines?

MU Sport staff will encourage children to behave in a way that makes the camp an enjoyable experience for everyone.

MU Sport staff reserves the right to have children sit out of activities if they are behaving poorly, especially if they are bullying or discriminating against other children – the parent will be contacted when this occurs.

If the poor behaviour continues and is severe enough we reserve the right to call the parent and ask them to remove the child from our program for the day or for the entire camp.

For detailed behaviour guidelines, please check the MU Sport Behaviour Guideline Policy

What are your heat and wet weather policies?

We have taken care to ensure that we have shaded and air-conditioned areas available at all times in the case of extreme heat or heavy rain.

In the case of extreme heat or the rain is heavy enough to cause a risk of injury we will move the sporting activity to one of our indoor venues, this may mean changing that activity if indoors is not practical.
