### MUSA Executive

Mr Paul Rogers (Co-President)  
 Mr Marcus King (Co-President)  
 Ms Lisa Ng  
 Mr Alf Lazer  
 Ms Cheryl McKinna  
 Mr Bob Girdwood  
 Ms Kirsten Long  
 Mr James Stewart  
 Ms Caitlyn Hallett  
 Mr Ben Phillips

## chairman's report

It is with great pleasure that I am able to present the 2010 Annual Report. This year was both an exciting and challenging time for sport at the University of Melbourne and the report highlights and celebrates the many achievements of our student athletes, sporting teams and clubs. Additionally the report also outlines the impressive range of programs offered each year that support the campus community to engage in regular physical activity.

Earlier in the year the board, staff and key stakeholders dedicated significant time and energy to the development of the strategic plan for sport, fitness and recreation titled the 'University of Melbourne Strategic Plan for Sport, 2010–2115'. This was a significant achievement and the plan will be invaluable in guiding our future actions in ensuring that the University of Melbourne is the leading sporting University in the country for performance, participation and quality of facilities.

At the end of the year the board farewelled student member Genevieve Grant and I would like to thank her for her contribution to sport at the University and wish her well for the future. I would also like to thank my fellow board members, MU Sport staff and our dedicated volunteers and coaches for their fantastic efforts in 2010. I would also like to thank the University senior management team for their continued support.

Finally I hope that you find the report both informative and entertaining.

*Geoff Rees – Chairman*

## director's report

It is with great pleasure and satisfaction that I reflect on the achievements of sport at the University of Melbourne this year. 2010 was another outstanding year for sport and I hope that the report captures some of the excitement and passion that engaging in sport, fitness and recreation activities at all levels generates.

I would like to acknowledge the many people and organisations who have been dedicated to improving the position of sport at the University. They include:

- The staff at Melbourne University Sport and members of the MU Sport Board in particular the very dedicated chair Mr Geoff Rees.
- MUSA Council and Executive including co Presidents Paul Rogers and Marcus King and the Blues Advisory and Scholarships Committees.
- The club committees, coaches, support staff and in particular the active sport alumni and club sponsors who assist in keeping the clubs viable and successful.
- The managers, coaches and athletes of 'Team Melbourne' at Australian University Sport (AUS) events who ensure that we are always passionate and more than just competitive.
- The staff and Board at AUS and fellow university sporting bodies who continue to collaborate for the good of the university sport industry despite fierce on-field rivalries.
- Students and staff at the University who continue to support our activities in ever increasing numbers and provide us with important feedback.
- The Provost John Dewar and the University's Senior Executive for their continued support and recognition of the contribution that sport and recreation makes to the University. MUS and the Board is particularly appreciative of the ongoing financial support from the University.
- Special mention must be made of the MUSA Treasurer Alf Lazer who after many years of dedicated volunteer service to sport at the University was rewarded with a University Gold Medal at a graduation ceremony during the year.

Thank you

*Tim Lee – Director of Sport*

## sport at the university of melbourne

### Sport at the University of Melbourne

Sport has a special significance for the University through the performance of sporting clubs, teams and high profile athletes that enhance the reputation of the University. The vision for sport is that the University of Melbourne is the leading Australian university in sporting performance, participation and quality of facilities.

### Melbourne University Sport

Melbourne University Sport (MU Sport) is a semi-autonomous department of the University and provides sport, fitness and recreation programs and facilities for students, staff and the alumni. The Director reports to the Provost and the MU Sport Board, the body set out under statute by the University Council to oversee the operations of the department.

MU Sport is responsible for the Sport Capital Improvement Plan for the development of campus and off campus facilities and manages a range of University facilities including the buildings and grounds located on the Sport Precinct, the University Ski Lodge at Mt Buller and University Boat House on the Yarra River.

MU Sport employs 12 permanent and contract staff, more than 80 casual staff and approximately 60 sporting club employees including managers, coaches, instructors, medical staff and other officials in the operational areas of Sport Development, Fitness and Facility Operations and Business Development.

### Key Achievements

#### Participation

MU Sport facilities and programs provided over 1 million participant opportunities in 2010 including:

- 5,000 students, staff and community joined the fitness centre with over 222,000 individual visits
- 39 active sport and recreational clubs with over 5,000 members competing in community, regional and international competitions as well as providing a range of instructional activities
- 46,216 participants in 2,317 group fitness classes and 52,000 visits to the pool
- Event managed the Collegiate Sports program with 20 separate competitions providing over 3,000 participant opportunities
- 900 students and staff involved over the 36 weeks of the Campus Sport program
- 6,500 individual bed nights at the Ski Lodge at Mt Buller

#### Performance

- Six Australian University Championships titles
- Support, financial and in-kind, provided to 125 student elite athletes of which 28 represented Australia at international senior level across 16 different sports

#### Profile

- Development and approval of the Elite Athlete and Performers Entry Scheme
- Completion of the Strategic Plan for Sport

#### Financial and physical Resources

- Three year University funding secured
- Operating surplus posted after 3 years of consecutive deficits
- Launch of Cricket Club Foundation
- Commenced construction of the \$2.9m extension to the Boat House

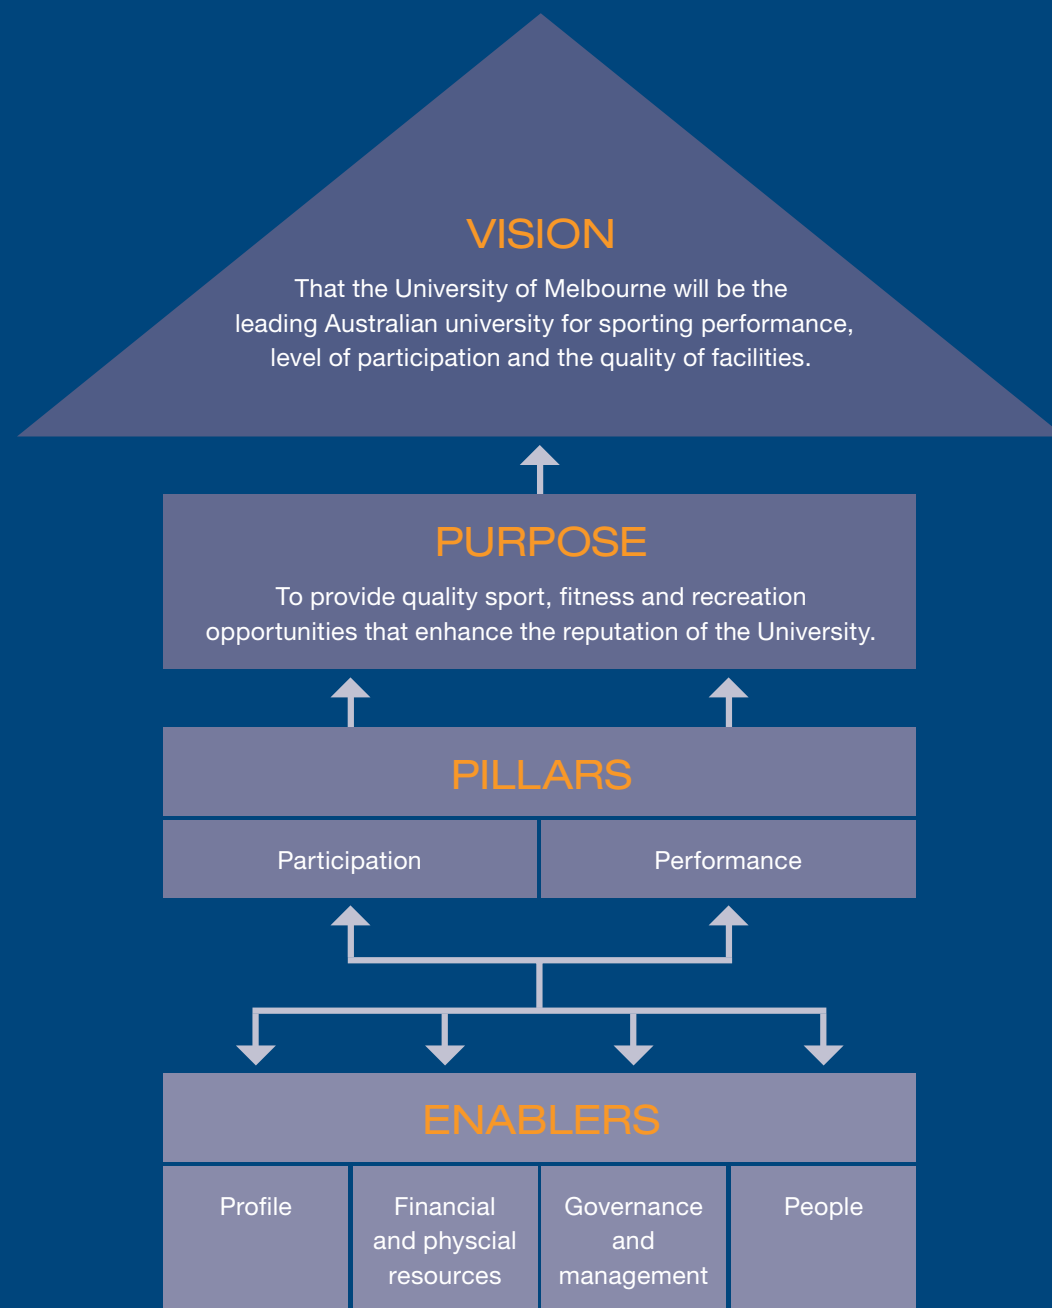

#### Governance and Management

- Joint appointment of Boat Club Manager

# strategic plan for sport

## Pillars

### Participation

That the students, staff and the broader University community regularly participate in sport, fitness and recreation activities that encourage a balanced lifestyle and build a healthy community.

Success will be achieved when programmes, services and facilities are appealing, relevant and convenient and cater for the constantly changing requirements of the University community.

### Performance

That athletes, clubs and teams compete successfully at the highest level and participation establishes a lifelong connection to the University.

Success will be achieved when the University is recognised as the leading sporting University in the country and attracts the 'best and brightest' local and international high performance student athletes.

## Enablers

### Profile

That the profile and performance of our student athletes, teams and clubs, the opportunities for participation and the quality of our sport facilities enhance the reputation of the University.

Success will be achieved when the benefits of regular physical activity, the performances of our athletes, teams and clubs and sport facilities feature prominently in University strategic documents and promotional material and are profiled extensively in the media.

### Financial and physical resources

That the financial and physical resources available ensure the provision of quality facilities and support participation and performance programmes.

Success will be achieved when support for capital development is secured and improved operational performance and increased advancement activity has increased financial sustainability.

## Governance and management

That sport at the University is governed and managed effectively at all levels and is successful in achieving the strategic goals.

Success will be achieved when sport is governed and managed according to industry best practice, financial and strategic objectives are regularly achieved and positive stakeholder relationships are managed effectively.

### People

That quality staff, coaches, club managers and volunteers are attracted to sport at the University by our positive organisational culture and opportunities for success.

Success will be achieved when sport can attract and retain qualified and committed people who embrace the values of professionalism, customer focus, leadership, continuous improvement, integrity and teamwork.

## key highlights

### January:

- Daniel Braunsteins (Science) wins National U23 Road Cycling Criterium in Ballarat

### February:

- Second year Architecture student Katya Crema represents Australia at the 2010 Vancouver Winter Olympic Games, finishing 15th in Skier Cross and
- Tom Barnes (Biochemistry & Microbiology PhD) competes in IAAF World Race Walking Cup in Mexico – in the 50km Walk!

### March:

- Physiotherapy alumnus Cameron Rahles-Rahbula claims bronze medals in the men's Slalom Standing and Super Combined Standing disciplines for Australia at the 2010 Vancouver Winter Paralympic Games.
- Athletic Club members Jack Ingram and Jarod Pageot, claim National Championships at the 2010 Australian Junior Athletics Championships in Sydney
- The University Oval hosted Cricket Victoria's Premier First XI Grand-final for the second successive year

### April:

- Athletic Club members total 13 at the 88th Australian Athletics Championships and Commonwealth Games Trials in Perth
- 2010 Annual Sports Awards and Blues Dinner Held in the Prince Philip Theatre and University House respectively
- Marieke Guehrer (Arts) named the 2010 Lazer-Law Medalist
- Olympic Marathon runner and MUAC Club member Lisa Weightman wins gold in the Nagano Olympic Commemorative Marathon in Japan

### May:

- Trinity and Queen's Colleges win the men's and women's College Rowing First VIII respectively
- Queen's and St. Hilda's win the men's and women's College Swimming titles respectively

- John Kanis (Football Club – Blues) is awarded the Service to Sport Award at the Australian University Sport Awards in Sydney. Marieke Guehrer (Arts) is presented with a President's Commendation for her record gold medal haul at the previous Australian University Games

### June:

- Kim Crow (Arts/Law) becomes Australia's first international medalist in the women's single scull, taking bronze at World Cup #2 in Germany
- Alumna Judith Scarrott (Arts) awarded the Medal of the Order of Australia in the 2010 Queen's Birthday honours list for her service to the Bendigo community
- Alex Phillipos (Business & Economics) represents Australia at the World University Championship – Taekwondo, finishing in the first round in the men's 80kg division

### July:

- First year Bachelor of Commerce student Dylan Alcott wins gold at the World Wheelchair Basketball Championships in England. He's also named in the tournament's All-star Five.
- University Blues claim the women's silver in the Australian Volleyball League to the WA Pearls (23-25, 19-25, 25-18, 16-25)
- Aislinn Prendergast (Engineering) and Vanessa Round (Science) represent Australian at the 2010 World University Orienteering Championships in Sweden. Prendergast's best finish is in the Long Distance discipline (52nd) while Round finishes 13th in the Middle Distance event

### August:

- Angus Campbell (Science) represents Australia at the World University Championship – Flatwater Canoe in Poland. Campbell finishes 8th in the K2 and K4 1000
- Second year Dental Science student Jeff Tho named in the Australian Badminton to team to compete at the 2010 Delhi Commonwealth Games
- Baseball Club women's team win their 7th consecutive premiership when they beat Doncaster 12 – 0 in the Dandenong Baseball Association Women's Winter League Grand Final

### September:

- Basketball Club's men's Big V Division One team claims their second successive Championship title, defeating Geelong 2–0 in the GF series
- The University's skiers and snowboarders reclaim the title of Australian University Champions at Mt Buller
- Chelsea Mullens (Arts) represents Australia at the World University Championship – Shooting Poland, finishing 26th in the 25m Air Pistol and 35th in the 10m Air Pistol

### October:

- The University's Men's Basketball, Cycling and Women's Netball teams each win Gold and are crowned National Champions at the Australian University Games in Perth
- Melbourne University students and club members at the 2010 Delhi Commonwealth Games:
  - Arts student and Melbourne University High Performance Scholarship athlete Marieke Guehrer wins the Silver Medal in the women's 50m Butterfly.
  - Dentistry student Jeff Tho narrowly loses his Round of 16 Badminton Singles match
  - Guehrer adds a 4 x 100m Freestyle Relay Gold Medal to her Silver from the 50m Butterfly.
  - First year Commerce student Grace Loh finishes fifth in the final of the 50m Backstroke.
  - MUAC Club member Lisa Weightman wins the bronze medal in the Women's Marathon.
- Ormond and St. Hilda's win the men's and women's College Athletics titles respectively

### November:

- Boat Club contributes 11 members to Australia's team of 50 for the 2010 World Rowing Championships in New Zealand:
  - Josh Booth (Science) finishes 7th in men's Four
  - Kim Crow (Arts/Law) wins silver in women's Double Scull and finishes 4th in women's Quad Scull

- Will Lockwood (Boat Club), James Marburg (Law) and Cameron McKenzie-McHarg (Business & Economics) take the bronze in men's Eight
- Angus Tyers (Boat Club) and David Webster (Boat Club) win the silver medal in the men's Lightweight Eight – David also coxes the men's Pair to the gold medal
- Karsten Fosterling (Boat Club) wins bronze in the men's Quad Scull
- Sarah Heard (Boat Club) wins silver in the women's Four
- Alice McNamara (Science) finishes 4th in women's Lightweight Double Scull
- Phoebe Stanley (Science) finishes 4th in women's Pair

- Melbourne and Sydney universities face off in a Men's and a Women's Eight in the second annual Australian Boat Race held over a 7.3km course over Sydney Harbour – Sydney wins the men's race and Melbourne wins the women's race. Melbourne led the race aggregated 3–1

### December:

- The University's Cricket team wins the Australian University Championship – Twenty20 in Ballarat
- University Blues win their first men's gold medal in the Australian Volleyball League, defeating the AIS (28–26, 25–20, 19–25, 25–21)

## PARTICIPATION

That the students, staff and the broader University community regularly participate in sport, fitness and recreation activities that encourage a balanced lifestyle and build a healthy community.

# fitness programs and services

## Group Fitness

Group Fitness attendance for 2010 was steady throughout the year and exceeded 2009 total attendance figures. Our strongest four programs for 2010 were Body Pump with a total of 11,770 participants, Yoga with 6692 participants, Body Step with 5749 participants and Pilates with 4924 participants.

Our newest programs to the 2010 timetable were RopeBurn, introduced in Semester 1, Run group introduced mid year and Zumba which was launched at Melbourne University Sport in Semester 2, 2010 with great success.

Our overall class averages for the year were up during our Semester timetables and slightly down in the reduced timetable.

2010 showed an average of 20.95 participants per class. MUS is looking forward to those numbers increasing 2011 with the commencement of the Semester 1 timetable with the variety and professional, enthusiastic staff to make each participants visit a memorable experience.

## Strength & Fitness Gym

Gym attendances tracked similar to 2009, with a slight drop off towards the end of the year. \$60k from the capital improvement plan was used to upgrade aging treadmills, and purchase additional equipment including spin bikes, upperbody ergo's, cross trainers and rowing ergo's. Additional minor equipment purchases were directed towards functional training tools to follow a more holistic approach to fitness.

Bootcamp was again popular with participants choosing to either brave the early 6:30 start or give up their lunch break for the 45min 12pm class. Class numbers increased, with an average of 18 morning and 10 lunch time participants per session. While the introduction of a continuous lunch time schedule was well received.

## Aquatics

Average pool attendances per month continued to grow for the first half of 2010, before dropping slightly from June through to November. Weather conditions throughout this period would reflect on attendances. Casual, 10 and 20 visit cards still sold well throughout the year and exceeded budget expectations.

Pool bookings were again expanded, with University high moving their term 4 swim program to MUS, utilising quieter periods. While Propulsion Aquatic swim school again provided a great service to students, staff and their families

## PARTICIPATION

### Campus Sport

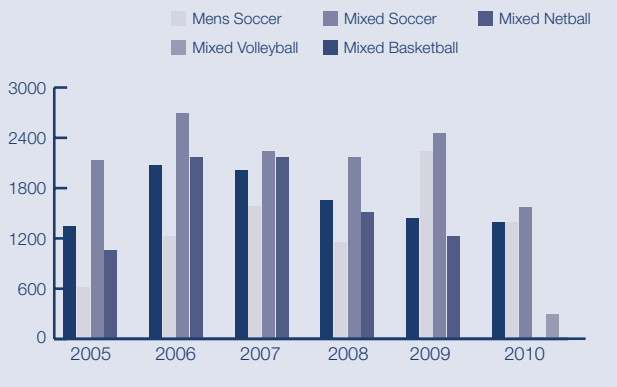

Campus Sport continued to be a key provider of opportunities for students and staff of the University to get active and participate in a fun, social lunchtime program with friends and work colleagues.

Each semester provided social competition opportunities for men's and mixed Soccer and mixed Netball. Mixed Basketball was also played in semester two. The popularity of these sports ensured each competition was near-full, with a number over-subscribed.

The total number of game opportunities for participants in 2010 was 4,546 (slightly down on 2009 figures due to our inability to conduct mid-year and end-of-year seasons). Soccer continued to be the most popular sport in 2010 with 2,784 games opportunities for participants.

| SPORT            | SEMESTER ONE      | SEMESTER TWO             |
|------------------|-------------------|--------------------------|
| Men's Soccer     | O rei do football | Internazionale Melbourne |
| Mixed Soccer     | Ladies Men        | Ladies Men               |
| Mixed Netball    | Always Andys      | Wolves                   |
| Mixed Basketball |                   | Team Mickey              |

### CAMPUS SPORT OPPORTUNITIES OFFERED

### Boot Camp

Bootcamp was again popular with participants choosing to either brave the early 6:30 start or give up their lunch break for the 45min 12pm class. Class numbers increased, with an average of 18 morning and 10 lunch time participants per session. The decision to keep the lunchtime Boot Camps on a continuous weekly schedule was well received.

PARTICIPATION

college sport

Ten colleges of the University of Melbourne competed across 24 sporting competitions in 2010. Queen's College was victorious in five sporting competitions, while Newman, Ormond, St. Hilda's and Trinity all won three each.

2010 College Sport Champions

| SPORT                   | MEN'S CHAMPION      | WOMEN'S CHAMPION   |
|-------------------------|---------------------|--------------------|
| Athletics               | Ormond              | St. Hilda's        |
| Badminton – Mixed       | International House |                    |
| Cricket – First XI      | Newman              | –                  |
| Cricket – Second XI     | Kendall Hall        | –                  |
| Football – First XVIII  | Newman              | Ormond             |
| Football – Second XVIII | University College  | –                  |
| Hockey                  | Queen's             | Trinity            |
| Netball – Firsts        | –                   | Newman             |
| Netball – Seconds       | –                   | University College |

PARTICIPATION

community events

Students, staff, alumni and friends of the University were again invited to participate in three community events in 2010 - The Melbourne Marathon, Bicycle Victoria's Around the Bay in a Day and Vice-Chancellor's Cup – the University of Melbourne Golf Day. Participating within the University of Melbourne team meant that the runners and cyclists both scored themselves a free University of Melbourne signet or cycling jersey.

A VC Cup record of 60 keen golfers took part in the forth annual Vice-Chancellor's Cup – the University of Melbourne Golf Day on Friday 13 May. Played at the Woodlands Golf Club, golfers enjoyed a gourmet BBQ and presentations in the clubhouse immediately after their Team Ambrose competition. The winners for 2010 were the Faculty of Medicine

Some 200 participants walked, jogged and ran distances from 5.5km through to the 42.2km marathon as part of the St. George Melbourne Marathon on Sunday 10 October. The highlight for most participants was finishing their event with a lap of the MCG. The

University of Melbourne corporate marquee with its cloak-room, massage services, complimentary food and drink and outdoor sitting/recovery area was also very well received.

Just one week after the Marathon saw more than 100 participants get on their bikes and ride various distances around Port Phillip Bay on Sunday 17 October. And greeting the riders as they crossed the finish line was the University's marquee set-up between the Melbourne University Boathouse and the Yarra River. There riders could grab a piece of complimentary fruit, some lollies or recover with a PowerAde.

PERFORMANCE

That athletes, clubs and teams compete successfully at the highest level and involvement establishes a lifelong connection to the University.

university sport

The University of Melbourne continued to be one of the leading forces in University Sport in 2010, winning six national championships. Men's Basketball, Cricket – Twenty20, Cycling, Distance Running, Women's Netball and Snow Sports were all successful in winning at the Australian University Championships.

Having the Australian University Championship – Snow Sports being hosted on our home mountain of Mt Buller was always going to be an advantage, but we still needed to ski and board in good numbers to reclaim this national championship in mid-August. Australian skiing representatives Katya Crema (Environments) and Anton Grimus (Commerce) dominated the alpine events, while team stalwart Whitney Campbell (Law) carved up the slopes on her snowboard. And with strong performances from the entire team, Melbourne did ski and board well enough to win its fourth national championship from the past six years.

Fast-forward to the Australian University Games in Perth and Tom Stephens (Environments) and Tom Bicknell (Physiotherapy) led our basketballers to a convincing tournament victory for our first Basketball national championship since 2002. Having comfortably progressed through the preliminary rounds, Melbourne defeated home-town UWA in the semi-final 67–64 before demolishing Griffith in the gold-medal game 69–40.

Having lost mantle of Cycling national champions to UWA in 2009, our cyclists were also after redemption at the Games in Perth. Lachlan Norris (Science) flew in to Games direct from the Tour of Langkawi and immediately asserted his dominance by winning the Road Race. He later teamed up with Eric Sheppard and the two Victorian Institute of Sport cyclists smashed all-comers in the Pairs Time Trial. These results, couple with solid performances in the Individual Time Trial and Criterium where enough to reclaim the Australian University Championship – our eight Cycling title in nine years!

Like our Cycling team, women's Netball has been the dominant force of the past decade of University Games with two national championships, two runners-up and two third places. Having gone down to Monash in 2009, the team was hell-bent on reclaiming the mantle of national champions and Coach Alice Stephens (Education alumna) had recruited a formidable squad comprising VNL and Netball Club players. Cruising through the preliminary games, the team defeated Monash in the semi-final 36–30 and went on to eclipse surprise-package La Trobe 42–32 in the gold medal game.

With the Australian University Championship – Distance Running being held as part of the 2010 Melbourne Marathon in October, Melbourne's largest University Sport team evolved from this event. Yet it was quality rather than quantity that enable our team to win back-to-back national championships. Elizabeth Dornom (Physiotherapy) crossed the line first in the women's Marathon, Joji Mori (Science) placed second in the men's Half Marathon while Harry Smithers (Science) and Sophie Barker (Science) took silver in the men's and women's 10km respectively.

Travelling to Ballarat in early December for the Australian University Championship – Cricket Twenty20, the University's cricketers were looking to atone for a dismal performance at the previous year's championship. And atone they did, with a convincing gold-medal performance against UNSW having previously accounted for the likes of Sydney and Monash in the preliminary games. Charles Shaw (Commerce) made a half century in the final, while Steven Reid (Science) was our best bowler for the tournament.

The University was also National Runners-up in Touch – Mixed and bronze medallists in Baseball, Surfing, Tennis – Men and Water Polo – Men (see Australian University Sport Team Results table for all other team performances). Numerous individual medals were won in Athletics, Cycling, Kendo, Rowing, Swimming and Taekwondo (see Australian University Sport Outstanding Individual Results).

The University placed fourth overall on points at the Australian University Games behind UWA, Monash and Sydney. We also finished fourth on the Australian University Sport Overall University Champion points table (combining AUG and AUC points). On the basis of Australian University Championships won for 2010, we finished equal third with ECU with six national championships – one behind UWA and eight behind Sydney, but one more than Monash.

University Sport by the Numbers

| AUSTRALIAN UNIVERSITY SPORT REPRESENTATIVE | NUMBER OF SPORTING COMPETITIONS | NUMBER OF SPORTING COMPETITION TEAM MEDALS | NUMBER OF AUS NATIONAL CHAMPIONSHIPS | NUMBER OF AUS GREEN & GOLD SELECTIONS |
|--|---------------------------------|--|--------------------------------------|---------------------------------------|
| 782  | 38                              | 12   | 6                                    | 36                                    |

## PERFORMANCE

# sports awards

Seventeen clubs shared 66 University of Melbourne Sports Blues (26 Full and 40 Half) which were awarded across 25 Australian University Sport competitions in 2010.

Blues of note included **Sophie Barker** (Science) being awarded her third Full Blue for Athletics and Distance Running, Finlay Batts (Arts) received his third Full Blue for Touch, **Jessica Hill** (Physiotherapy) received her third Full Blue for Rowing while **Corinna Minko** (Veterinary Science) was awarded her third Full Blue for Athletics. **Lachlan Norris** (Science) received his fourth Blue (two Full and two Half for Cycling and Mountain Bike) and **Tim Glazebrook** (Physiotherapy) joins illustrious company after having been awarded his fourth Full Blue for Touch (a complete list of Blues recipients is included in the Honours/Awards table).

A Distinguished Service Awards for outstanding and consistent service to clubs and/or to the Sports Association was also awarded to **Ben Yeo** of the Melbourne University Water Polo Club.

Our **men's Basketball** and **women's Netball** teams were jointly awarded the University Sport **Team of the Year** for winning their respective Australian University Championships. The basketballers, led by Tom Stephens (Environments), Tom Bicknell (Physiotherapy) and Callum Repper (Physiotherapy) defeated Griffith University in the gold medal match 69–40. The netballers, who were coached by past Blue and national championship-winning goaler Alice Stephens (Education alumna) defeated La Trobe 42–32. Maddie White (Arts), Mathilda Wilmot (Science), Annabel Gillies (Arts) and Ebony Fietz (Biomedicine) led the all-conquering team to our third national championship in the last four years.

The **University Sport Female Athlete of the Year** was awarded to **Katya Crema** (Environments) who dominated at the AUC – Snow Sports at Mt Buller. Katya won gold in the Alpine Slalom, Giant Slalom, Super Giant Slalom and Skier Cross events (the event she represented Australian in at the 2010 Vancouver Winter Olympic Games). The **University Sport Male Athlete of the Year** was awarded to another alpine and freestyle skier in **Anton Grimus** (Commerce) who also carved up the slopes at Buller. Anton won three AUC – Snow Sports gold medals in Alpine Slalom, Giant Slalom and Skier Cross (he was second in the Super Giant Slalom).

**Andrew Walker**, Head Coach of the Basketball Club's Big V men's Division One team was named **Coach of the Year** for the second successive year. Andrew coached the team to the Big V Division One Championship (his and the team's second successive Championship after conquering Division Two in 2009). After a 2–1 series win against Warnambool in the semi-finals, Andrew coached the team to a comfortable 2–0 grand-final series against Geelong. He also coached a University development team at the Southern University Games in Bendigo, and was in charge of his third Australian University Games team in Perth where the men won their first national championship since 2002.

**Club Personality of the Year** was awarded to **Tristan Harris** (Commerce/Engineering) of the Touch Club. In his final year of study, Tristan still managed to hold down the roles of Treasurer, Coach, Tournament Manager and Merchandise Coordinator during 2010. In these roles, he improved club financial systems, coached

weekly club training sessions with a focus on up-and-coking players and University Games, and organised the Club's largest tournament cohort of some 60 members for the annual Sale Knock-out event. He also managed to play in the Club's VT League minor premiership-winning men's team as well as the Australian University Games Mixed team who claimed the silver medal.

Sneaking into the finals and then defeating higher ranked teams on their way to the Volleyball Victoria state championship was enough for the **Melbourne University Volleyball Club's women's Honours team** to be crowned **Club Individual or Team Performance of the Year**. The Renegades won their semi-final against the Falcons in a nail-biter – 15–13 in the fifth and deciding set. They then went on to win the preliminary final 3–0 against volleyball powerhouse Heidelberg, before serving, setting and spiking their way to a gold medal victory against Eastside, 3–1 (21–25, 25–18, 25–17, 25–23).

The **Melbourne University Touch Club** was named **2010 Melbourne University Sports Association Club of the Year** for their on-field and organisational successes. The Club continued to promote themselves on-campus, particularly during Orientation and the early part of their winter season. The Club was led by a dedicated group of office bearers who administered operations and adhered to compliance matters in a timely fashion. Organising our largest sporting cohort at the Australian University Games, our teams all participated in Division One and finished a credible six and eight in the women's and men's competitions respectively. The mixed team continued the University's recent success at the Games to claim the silver medal, narrowly missing the gold in golden-try extra time.

The Club provided pathways for members to compete in social competitions through to regional tournaments and up to the state-based competition with the Melbourne University Northern Blacks. Some 15 teams either won season premierships or finished runners-up, and 18 club members represented Victoria as either player or coach.

The **2010 Lazer-Law Medal** for outstanding national or international sporting achievement was awarded to **Kim Crow** (Arts/Law). Rowing in her fifth international season, Kim won Australia's first ever medal in the women's Single Scull – a bronze, at World Cup #2 in Germany. Her World Cup haul also included a silver medal at the third event in Switzerland in the Double Scull. Kim was also the only Australian rower to compete in two boats at the 2010 World Rowing Championships in New Zealand. She narrowly missed out on the ultimate prize in the women's Double Scull where she and partner Kerry Hore had to settle for the silver medal. Kim had previously placed fourth with the women's Quad Scull. This was Kim's second Lazer-Law Medal having won the award in 2006.

## PERFORMANCE

# elite student-athlete support

The University's Elite Student-athlete Program assisted 113 student-athletes with financial, in-kind and flexible study support in 2010.

The Elite Athlete and Performers Policy, which provides flexible study and assessment arrangements for state and national-representative student-athletes, continued to enable the University's sporting achievers to combine their studies and sport at the highest level. The policy, the only one of its kind in Victoria and one of only a handful in Australia, had some 81 elite student-athletes across 27 sports registered as part of the program.

| Science                              | 19              |

Sport scholarships provided financial and/or in-kind support to 130 student-athletes across 35 sports. Nine elite student-athletes were recipients of **Melbourne University Sport High Performance Scholarships**. **Kim Crow** (Arts/Law), **Alice McNamara** (Commerce/Science), **Tom Larkins** (Architecture) **James Marburg** (Law), and **Phoebe Stanley** (Optometry) received support for their representation in the Australian Rowing team at the World Senior Championships in Germany as well as the other World Cup international regattas.

**Katya Crema** (Environments) represented Australia at the 2010 Vancouver Winter Olympic Games in the debut discipline of Skier Cross. **Angela Darby** (Architecture) competed at multiple World Cups around the globe in Modern Pentathlon. **Marieke Guehrer** (Arts) swam at the Pan Pacs, Delhi Commonwealth Games and Short-course World Championship. And **Lachlan Norris** (Science) represented Australia in mountain-bike's World Cup series.

## Student-athlete interesting facts – Katya Crema

Second-year Bachelor of Environments Katya Crema lived her sporting dream in 2010 by representing Australian in the debut discipline of Skier Cross at the 2010 Vancouver Winter Olympic Games. To train for the lunge out of the starting gates, perhaps the most important facet of her event, Crema's grand-father built her a set of starting gates connected to a water-laden plastic runway for her to train on during Melbourne's summer.

**Friends of the Sports Association Scholarships** were also awarded to nine elite student-athletes from five MUSA clubs and seven different sports. Athletic Club member **Tom Barnes** (Biochemistry & Microbiology PhD) represented club, University and country in 2010. **Josh Booth** (Science) rowed for Australia in both U23 and Senior crews, while **Dan Sweeney** (Commerce) also rowed at the U23 World Championship – both oarsmen also represented the Boat Club.

Volleyballers **Teresa Dixon** (Science) and **Ciara Michael** (Communications post-grad) were members of the University Blues, runners-up in the 2010 Australian Volleyball League. The Touch Club's **Tim Glazebrook** (Physiotherapy) represented Victoria at the national championships; the Hockey Club's **Candice Liddy** (Physiotherapy) represented the Northern Territory; and basketballer **Tom Stephens** (Environments) played with the Melbourne Tigers in the NBL – all three student-athletes also won medals for the University at the Australian University Games. **Jeff Tho** (Dental Science) also represented Australia at the 2010 Delhi Commonwealth Games in Badminton.

The Elite Student-athlete Support Program with assistance from MUSA and the University's Cultural and Community Relations Advisory Group also supported 41 elite student-athletes who represented Australia in overseas international events during 2010. These Australian representatives (and one Malta representative) competed in 14 different sports and each received a **Vice-Chancellor's Elite Athlete Grant**.

In other program support, an additional 30 student-athletes with **Winged Victory University Sport Grants** to assist them in representing the University at Australian University Sport events, and a further 89 **ScholarFit Strength & Fitness Memberships** for use of the Beaurepaire and Sports Centre facilities, were awarded.

A complete list of elite student-athletes support recipients is included in the Appendices.

Katya Crema training on her homemade starting gates during Melbourne's summer

# club highlights

## Athletics Club

Melbourne University Athletics Club continued to be amongst the leading track and field and cross country clubs in the state. Four of the five Open Division teams competed at the Athletics Victoria Shield Final, while MUAC finished 4th in the HH Hunter Shield at the Victorian Open Track and Field Championships.

Jack Ingram (Pole Vault) and Jarrod Pageot (Long Jump) won Australian Junior Championships and Janelle O’Sullivan (Silver) and Hannah Alderton (Bronze) won medals at the Australian Open Track and Field Championships.

MUAC member Lisa Weightman won a bronze medal in the Marathon at the 2010 Delhi Commonwealth Games.

MUAC fielded seven teams (four men and three women) in Athletics Victoria’s winter competition of road and cross country racing. Women’s Division One finished in fourth place, whilst the Men’s Division Two team claimed third and just missed out on promotion to Division One.

## Club Results

| Lisa Weightman     | Australia / 2010 Delhi Commonwealth Games – Marathon / Bronze Medalist            |

## Badminton Club

The Badminton Club refocused in 2010 with the introduction of the Performance Badminton Centre (PBC) as the competitive arm of the Club, aimed at catering for the specific needs of Club members who compete on a regular basis.

This renewed focus on competitive badminton resulted in many pleasing performances at state and national competitions, in particular the inaugural Badminton Victoria Doubles League, where the two Club teams entered took home the gold and bronze medals. The season-ending Melbourne University Open & Graded Championship was also sanctioned as a national ranking series tournament for the first time.

Club members Jeff Tho, Luke Chong and Erica Pong also represented state and/or country with Jeff travelling to Delhi, India for the 2010 Commonwealth Games.

Social sessions also continued to be well-attended by members throughout 2010.

## Baseball Club

The Baseball Club had a successful 2010 season with four of its six sides making the finals. And for the first time in many years, the Club fielded an impressive five men’s teams from A-Grade to E-Grade in the Melbourne Winter Baseball League.

The men’s Firsts, playing the A-Grade competition, finished the season with a top four position, going down in the semi-finals. The Seconds, playing in A-Reserve, just missed out on the ultimate prize and were runners-up. The stand-out performance for the Club came again from the Women’s team, who remarkably won their seventh consecutive title in their DBA competition.

A host of club players made representative teams including Bronwyn Gell who was the starting shortstop in the Womens World Cup Australian side, helping the team to a silver medal. Brett Tamburrino and Tristan McDonald were succesfull in being selected in the Melbourne Aces side which palyed in the revamped Australian Baseball League.

Basketball Club

The Melbourne University Basketball Club’s highlight for 2010 was the Men’s Big V team claiming the Division 1 Championship. This was the team’s second successive championship having won the Division 2 title in 2009.

Having smashed the Geelong Cats 110 – 82 in Game 1 of the Grand-final Series, the Scott Cuffe-led team was also too strong, winning 71 – 66 in Game 2 to clinch the title. As he did all season, Captain Scott Cuffe led from the front to top score for University with 16 points – he also pulled in nine rebounds, eight of them at the defensive end. Justin Turnley scored 13, while Grad-final Series MVP Liam Norton scored 11. Emel Rowe contributed ten points while Nicholas Masunda shot seven and forced an impressive five turn-overs.

Boat Club

The Melbourne Uniiversity Boat Club celebrated another successful year with dozens of state and national titles, and again provided one of the largest club cohorts of representatives to row for Australia on the international stage.

David Webster coxed the Australian Men’s Pair to the gold medal at the Senior World Championship in New Zealand. He also coxed the Men’s Lightweight Eight to the silver. Angus Tyers also crewed the Lightweight Eight. Kim Crow also took the silver medal in the Women’s Double Scull, while Kartsen Fosterling was a member of the bronze medal-winning Men’s Quad Scull. James Marburg, Cameron McKenzie-McHarg and Will Lockwod also won the bronze with the Men’s Eight.

Will Lockwood also won a bronze medal with the Men’s Four at the U23 World Championship in Belarus. Josh Booth also rowed at both the U23 and Senior World Championships.

The Club also successfully defended their Head of the Yarra titles in the Male and Female Open Eights. Club rowers also won the Male B, Male C and Male Masters E – G race categories.

Alex Henshilwood joined MUBC as Diirector of Rowing/Club Manager in 2010. Long-time member Peter Kupcis also took up the role of Senior Coach during the year.

Football Club (Men)

The Melbourne University Football Club had another successful year in the Victorian Amateur Football Association. Both Blacks and Blues Reserves won their respective premierships, while both Senior teams fell just short losing in preliminary and semi-final respectively.

Having both Blues and Blacks playing Premier A football in 2011 looked a distinct posibility at half-time in the Premier B Senior Preliminary-final. Unfortunately the efforts of a recently retired AFL player halted the celebrations and Haileybury went on to be promoted. The Blues Seniors also feel short in A-Grade, having found themsleves in the finals yet again with three other very strong teams. De La Selle proving too stong in the the first semi-final.

The “Mighty Blues Twos” won their third successive premiership, but had to do it the hard way. In one of the VAFA’s most exciting finals, the Blues managed to kick four goals in the dying minutes of the game to lift the silverware – a truly uplifting moment for the Club. Not to be outdone, the Blacks Reserves sat atop their ladder for the entire season, finishing the season with a whopping 333.99% (the second highest across all VAFA competitions) and went on to with the premiership.

With the introduction of a new Thirds competition by the VAFA in 2010, the Blacks provided an additional playing opportunity for its members, while the Blues elected to replace its Club 18 with the new Thirds team.

A number of members represented the VAFA in representative games during season 2010. Jack Watts (Blues) not only played in the U23 and Senior represenative teams, but also represented the All-Australian Amateur team in their end-of-season tour of South Africa and was Captain.

Football Club (Women)

The MUGARs underwent a rebuilding year in 2010, following the retirements of key senior players. The influx of many new young and exciting players to the Club was a highlight in itself, and was topped off by Alicia Eva winning the League’s Best First Year Player award.

Although the Senior team finished 7th and the Reserves narrowly missed finals on percentage, the Club’s continued junior development of women’s football began to pay dividends. The Club’s junior team, which put up a gallant display in their semi-final to lead the eventual Premiers at quarter-time, improved throughout the season and supplied a large contingent of squad memebrs selected to represent Victoria in the inaugural U/18 National Championships.

Netball

MUNC had a mammoth year with a record number of teams competing in the Parkville competition in 2010. Eighteen teams competed across 14 divisions with many teams making the finals. Premiership teams included MUNC 1 who were victorious in the A Open competition in the Autumn Season, and MUNC 3 who won the Premier division 5 competition in the Spring Season.

A major highlight for the Club was Head C and MUNC player Elissa MacLeod’s selection in the Queensland Firebirds squad for 2011 ANZ Championship. Elissa’s selection followed a premiership with MUNC 1 and Victorian Fury earlier in the year.

Rugby

The Club’s strong on-field performances throughout 2010 were supported by an enthusiastic group of volunteers. Three of our four senior sides reached the finals round, with the Gents team recording a win every week. The Club also contributed a number of state representatives at Senior, U20 and U18 level including Victoria Senior Captain Christian Brown and U20 Captain Reg Stowers.

Table Tennis

The Table Tennis Club had a successful year in 2010, kicked off with victory in the inaugural Table Tennis Victoria Premier League. This new competition, involving the very best players from around Australia, saw the Melbourne University team recruited and managed by Dimitri Roumpos. In addition to this high performance competition, the Club was runner-up in the TTV Metro 3 and Southern Universities Challenge competitions.

Touch

For the Touch Club, 2010 was its most successful year in its history. The Club made the Grand Final for every division of every competition it had teams entered in – arguably a feat never before achieved by any touch club in Victoria. This success on the field was reflected in the State Senior and Junior team selection with both Victorian teams composing of almost half Melbourne University touch players. Also in the high performance area, the Club initiated its own VT League franchise – the Melbourne University Northern Blacks – while a record 180 members joined the Club during the year (making Touch UM the largest club in Victoria).

### Water Polo

The Water Polo Club entered a total of 14 teams across a number of Victorian Water Polo Incorporated (VWPI) competitions during 2010. While a number of teams made finals, the highlight for the Club was the MUPolo WSL3 Blues who took out the State Championship Women's State League 3 premierrship. The Club continued to hold a number of social functions for memebtrs, including a boat cruise; and importantly continued to support a number of memebtrs who competed on the national and international stages.

# Rowers split honours in Australian Boat Race

The University's oarsmen and women travelled north to Sydney on 31 October for the second incarnation of the Australian Boat Race between the University of Melbourne and the University of Sydney.

The 2010 course had the men's and women's eights row a grueling 7.3km across the picturesque Sydney Harbour. The women's eight was raced first with the Melbourne crew stroked by Australian representative Sophie Robson. While both crews were neck-and-neck for much of the race, the Melbourne crew proved too strong over the final kilometer to win comfortably at the Riverview Wharf finish-line.

The men's race was also a tight affair for the much of the journey with a huge flotilla of spectator craft following both boats along the course. Despite the Melbourne crew being coxed by former World Champion Marc Douez and including Australian U23 representatives David de Lang and Dan Sweeney, the Sydney crew was too strong and also won comfortably.

The race, between Australia's two greatest rivals, enjoyed the presence of the Federal Minister for Sport Senator Mark Arbib at the post-race celebrations. Vice-Chancellor Professor Glyn Davis was also on hand to present medals, as was his Sydney counterpart Dr Michael Spence.

While honours were split between the men and women in 2010, Melbourne leads the modern-day series 3 – 1 after wining both races in 2009. The Australian Boat Race returns to Melbourne with men's and women's match races to be held on the Yarra River in late October.

## musa president's report

Since 1904, the Melbourne University Sports Association (MUSA) has represented the various sporting clubs of the University by advocating for their needs and advising the University of their interests. In this time, it has been terrific to see sporting clubs achieve huge success whether externally or within the University environment. It is pleasing to see that 2010 has continued that success.

The highlight of the University sporting calendar is the Australian University Games (AUG) and Australian University Championships. The University of Melbourne was once again a force in these competitions. At the AUG in Perth, three teams won gold – Basketball (men); Cycling; and Netball (Women). In addition to this, the University took out the Distance Running, Snowsports, and Twenty20 Cricket championships.

It is terrific to see our clubs continuing to compete at such a high level. Yet it is not just our competitive clubs that are achieving success. Our recreational and instructional clubs have done extremely well to increase their activities in recent years. In 2010 they continue to achieve increased membership and a high level of participation in numerous club activities. At a time when sport and physical activity are recognised as being critical to health and wellbeing, it is fantastic to see these clubs providing students with the opportunity to be active and get fit. These clubs highlight just how sport can enrich the University experience for so many students.

We are delighted to see clubs continue to provide strong social programs in addition to their on-field activities. These come together throughout the year and this is particularly evident at the annual MUSA Dinner and Blues Awards Presentation. In 2010, around 150 past and present athletes celebrated the success of athletes, teams and clubs as well as reflecting on the incredible history of sport at the University. The importance of sport in the community was highlighted by Dr Rob Moodie, who engaged the audience with stories from his days as a Melbourne University rugby player and experiences around the world through his work in the field of medicine. As always this was a very successful and enjoyable night and we thank Tim Lee, Rod Warnecke, Julie Caundle and the MUS team for their support in organising the event.

On a sad note, we mourn the loss of our MUSA patron Dr Phil Law who passed away at the age of 95. Dr Law was an avid supporter of sport at Melbourne University, having participated in almost every sport available – most notably cricket, AFL, skiing and mountaineering. He was also a champion boxer and was awarded a Full Blue in Boxing after winning the 1936 Australian University Championship. We thank Dr Law for his tremendous commitment to MUSA and to sport at the University and we welcome Mr

Geoffrey Vaughan as the new MUSA patron. Mr Vaughan has been heavily involved in sport at the University for many years, most notably through his long association with the Melbourne University Rugby Club player. His enthusiasm and support has been fantastic thus far.

While on the topic of outstanding dedication to sport. We are delighted to congratulate Alf Lazer on his University Gold medal for service of exceptional distinction to the university as a whole. Alf has been an outstanding supporter of sport over 60 years, from his days as a top class athlete to his years of work with the former recreation and grounds committee as well as his contributions to the SPRC and MUSA. Alf is one of just 5 people who have received a University Gold medal in this history of the University. This is a sensational effort and thank you for your tireless commitment to sport at the University.

While much of MUSA's focus is on improving sport within the University, there is often benefit in looking at best practice abroad. With this in mind, it was terrific to see Paul Rogers represent MUSA and Australian University Sport at the International University Sports Federation Forum in Vigo Spain. As a conference attended by sporting dignitaries from around the world, there was a focus of 'University Sport: A platform for change', derived from the new knowledge society we live in with an increased focus on economically, socially and environmentally equitable practices. Pleasingly, Paul has come back with new ideas in relation to: increased student representation on national sporting bodies, the use of University academic faculties as consultants on sporting matters, and the importance of University athletes promoting a healthy balance between study and co-curricular activities.

More locally, there are still many challenges that face University sport. Many clubs, particularly instructional and recreational clubs, continue to struggle to gain access to funding and venue hire. With limited resources available, it is an ongoing challenge to ensure that these clubs are supported adequately. In particular, MUSA will continue to promote the importance of equitable treatment of these recreational and institutional clubs along with competitive clubs.

The broader challenge for MUSA, and indeed for everyone involved in the University's sporting community, is the continual promotion of the benefits of sport. University sport offers students, staff and alumni the chance to achieve a healthy life balance. Numerous studies have highlighted the value of health and wellbeing for students as they strive to achieve success in their studies and their careers beyond their time at University. Sport provides the

opportunity for students to be active in a social or competitive environment, and they provide growth opportunities via team and leadership experiences. In our view, this is particularly true when considering what sporting clubs offer students of the University. It is this value that drives MUSA to continue to represent sporting clubs and continue to seek support for them.

At this point, we want to give our thanks to the many people who volunteer their hours for the cause of bettering our clubs. As such, we thank the MUSA Executive for all their hard work over the past year – thank you Alf, Lisa, Cheryl, Bob, James, Kirsten, Ben and others who chipped in along the way. Thank you also to the dedicated alumni involved on the Blues Advisory Board and Scholarships Committee. We also thank Tim, Rod, Kirstie, Julie

and the team at MUS. They continue to promote sport at the University and we look forward to working with them to ensure sporting clubs get the best possible support.

Finally, thank you to the 39 sporting clubs. In particular, thank you to the various club committees that run the on-field and off-field activities of their clubs. You do a sensational job in providing opportunities and experiences for students, staff and alumni. Please keep it up, and we look forward to continuing to work with you.

And to all involved in sport at the University of Melbourne – may you continue the outstanding sporting tradition of the University.

*Marcus King and Paul Rogers – Melbourne University Sports Association Co-Presidents in 2010*

## a brief history of sport at the university of melbourne

Students have participated in organised sporting activity since the establishment of the University in 1853 and the formation of a Sports Union in 1904 provided a structure for the traditional competitive club activities such as football, cricket, athletics and rowing. The Sports Union supported clubs financially (from the student levy) to compete in weekly or regular community competitions and for students to compete at the annual 'intervarsity' clash against rivals such as Sydney University and Adelaide University often involving very boisterous interstate trips.

After the Second World War the arrival of returned servicemen and the children of post war migrants to the University created a significant shift in the student demographic and a demand for a diversification of sporting options. Some of the new recreational and instructional activities to emerge during this period included fencing, judo, badminton and competitive sporting clubs such as basketball and soccer.

The Olympic Games in Melbourne in 1956 was an important catalyst for the development of improved sporting facilities at the University including the Beaurepaire Centre, built with generous support from Sir Frank Beaurepaire, incorporating an indoor swimming pool, stadium and flat floor space, and the installation of the first running track provided by the Olympic Organising Committee. The Sports Precinct has since become one of the most iconic sporting images in Australia and the view from the air

is instantly recognisable as the University of Melbourne.

The number Olympic and Commonwealth Games representatives and world record holders from the University of Melbourne is outstanding and more recently 14 members of the Australian team at the Beijing Olympics had connections to the University. In 2008 the University won the Overall Australian University Championship for the third time underlining the continued involvement and dominance in competitions against other universities.

The redevelopment of the Beaurepaire Centre in 2004 into a state of the art fitness and aquatic centre significantly improved the provision of fitness and recreation services and the centre now provides fitness assessments, personal training, group fitness, physiotherapy and sports massage. The development of additional instructional and recreational club activity, short courses and trips and tours has continued to diversify the opportunities for students and staff.

The introduction of Voluntary Student Unionism in July 2006 removed the traditional source of funding from student fees requiring a move to cost recovery for many services and a significant reduction in the level of funding support to sporting clubs. Despite the loss of the student fee income sport has continued to prosper due to the dedication and passionate support of all those involved.

For the comprehensive history of sport at the University of Melbourne see *The Ties that Bind* by June E Senyard.

# capital projects

## Boathouse Extension 2010

After an extensive planning process, construction of the extension to the heritage listed Melbourne University boathouse commenced in February 2010. The extension was designed by Lovell Chen Architects, who specialise in heritage building projects. The main purpose of the extension was to provide additional boat storage for the Melbourne University Boat Club's expanding fleet while also providing an new function space and meeting room. In creating a new function space, the MUBC are now able to use the old function area almost exclusively as a dry land training area.

## Oval Pavilion

Throughout 2010 the process of developing a Pavilions project was undertaken with a view to build two separate Pavilions in the Sports precinct. The first Pavilion would primarily serve Cricket and Football and be built on the north side of the Oval and either replace or extensively refurbish the current Oval Pavilion. The second Pavilion would service Hockey, Athletics, Squash and Tennis. Both Pavilions would include social space that could also be utilized for meetings and functions as well as providing additional 'flat-floor' space for other sports and recreational activities.

To ensure that the current Pavilion could continue to service the needs of the Cricket and football clubs and extensive renovation of the roof in both the home and away shower blocks was undertaken. The work included removing existing internal roofing sheets, clearing the roof of possums and associated debris, as well as repairing various leaks and replacing all existing lights in these areas.

## Stadium Floor

At the end of 2010 an extensive sand-back of the East and West Stadium floors was undertaken. This was the first time in over 10 years that the floor had been sanded back to the original wooden parquetry. Once re-sealed the floor was also re-lined for Basketball, Netball, Badminton, and Volleyball.

## Beaurepaire Centre Change Rooms

In early 2010 the old metal, key operated lockers in the male and female change rooms were upgraded to custom built electronic pin coded lockers. These new lockers do away with the need to carry change and provide MUS patrons with a convenient place to leave bags and books while they are utilising the Beaurepaire Centre. Other major repairs and upgrades to the change rooms included repair and refurbishment of tiled surfaces in the showers as well as the upgrade of lighting.

## Fitness Equipment Upgrades

MUS continues to upgrade its equipment on an annual basis. Over \$70,000.00 of new equipment was delivered across the year. The majority of this equipment replacement is to upgrade electronic cardio vascular machines such as treadmills and elliptical trainers and bikes.

# mus board

## Geoff Rees

Geoff Rees is a graduate from Melbourne University in law and commerce and is a Law Institute of Victoria accredited business law specialist. He has extensive experience in business advisory and litigation and is one of Australia’s leading telecommunications lawyers. Geoff has wide corporate governance experience, especially in Telecommunications and educational research institutions. He is Rowing Australia’s Legal Counsel. He competed at the World Rowing Championships in the Men’s Lightweight Coxless Four and won Gold in 1974, Bronze in 1975, Silver in 1977 and Bronze in 1978. He received a Full Blue in 1976, a Full Blue in 1973 and a Half Blue in 1972 for Rowing. Geoff is still an active member of the Melbourne University Boat Club.

## James Sutherland

James Sutherland (Bcom 1988) was a medium-fast bowler who became a versatile off-field allrounder. Twelfth man for Victoria’s 1990-91 Sheffield Shield victory, he played four first-class matches and became a Level III coach. A chartered accountant, he worked as a finance manager with Carlton, the AFL club, for six years and in 1998 joined the Australian Cricket Board as a general manager, commercial. He is a life member of the Melbourne University Cricket Club, where he was also a coach. He played in three first-grade premierships during a 17-year career. He is currently the CEO of Cricket Australia. James received Full Blues in 1989 and 1990 and a Half Blue in 1986 for Cricket.

## Mark Hargreaves

Mark Hargreaves completed his BSc (1982) and PhD (1989) degrees in physiology at The University of Melbourne and an MA (1984) in exercise physiology at the Human Performance Laboratory, Ball State University, USA. His pre-and post-doctoral training included two visits to the University of Copenhagen. He is a Fellow of the American College of Sports Medicine. During his spare time he enjoys tennis and reading sport biographies. Mark received a Full Blue in Tennis in 1981.

## Lynne Williams

Dr Lynne Williams is Deputy Secretary, Economic and Financial Policy Division. Lynne is responsible for the provision of high-level policy advice and economic and financial analysis to the Victorian Government on taxation policies, economic, social and environmental issues and financial strategy. Lynne joined DTF after holding the position of Deputy Secretary, Business Support in the Department of Innovation, Industry and Regional Development. Lynne has worked as an economist in the public sector for over 20 years. She has worked in several State and Commonwealth research agencies and was Principal Adviser, Research at the (Commonwealth) Productivity Commission immediately prior to joining the Victorian Public Service in 2001. Lynne received Full Blues in Athletics in 1974 and 1975.

## Genevieve Grant

Genevieve is jointly enrolled in the Law School and the Centre for Health Policy, Programs and Economics (School of Population Health, Faculty of Medicine, Dentistry and Health Sciences). Prior to commencing her PhD Genevieve practised as a personal injury solicitor specialising in motor vehicle accident claims. She previously worked as an Assistant to the Listing Master of the Supreme Court of Victoria and as a Research Officer in the Office of the Tasmanian Ombudsman and the Office of Legislation Development and Review (Department of Justice, Tasmania), where she contributed to the development of the Relationships Act 2003 (Tas). Genevieve is a member of the School of Population Health Human Ethics Advisory Group. She has been an active member of the Hockey Club for many years. Genevieve completed her term at the end of 2010.”

## Mitchell Anderson

Mitch Anderson is a University of Melbourne alumnus having graduated with a Bachelor of Physiotherapy with Honours (1997), a Bachelor of Science with Honours (1998) and a Bachelor of Medicine & Bachelor of Surgery (2006). He was a Melbourne University Sport High Performance Scholarship recipient from 2004–2006, and was awarded a Full Blue for Cycling (1997, 2001, 2002, 2003, 2004, 2005 and 2006). Mitch is an ironman triathlete and has completed some 20 ironman events, including five Hawaiian Ironman World Championships (including a best finish of 11th in 2004). While becoming a professional triathlete in 2008, he continues to work as a doctor in general medicine as well as being a sought-after print and television media commentator.
