CHAIRMAN'S REPORT

It is with great pleasure that I am able to present the 2011 Annual Report.

This year was both an exciting and challenging time for sport at the University of Melbourne and the report highlights and celebrates the many achievements of our student athletes, sporting teams and clubs. Additionally the report outlines the impressive range of programs offered each year, which provide opportunities for the campus community to engage in regular physical activity.

It has been two since years since the University Council endorsed *The University of Melbourne Strategic Plan for Sport, 2010 – 2015*, and the MU Sport Board and staff,

clubs and other stakeholders continue to strive to ensure that the University of Melbourne is the leading sporting University in the country for performance, participation and quality of facilities.

Finally, I would like to thank my fellow Board members, MU Sport staff and our dedicated volunteers and coaches for their fantastic efforts in 2011 and express my appreciation for the continued support of University senior management.

I hope that you find the report both informative and entertaining.

Geoff Rees
Chairman

DIRECTOR'S REPORT

It is with tremendous satisfaction that I reflect on the achievements of sport at the University of Melbourne during 2011, as it was another outstanding year for sport.

I would like to acknowledge the many people and organisations that have been dedicated to improving the position of sport at the University. They include:

- The staff at Melbourne University Sport and members of the Board in particular the very dedicated chair Mr Geoff Rees.
- The club committees, coaches, support staff and in particular the active sport alumni and club sponsors who assist in keeping the clubs viable and successful.
- The managers, coaches and athletes of the University's Winged Victory Teams at Australian University Sport (AUS) events who ensure that we are always passionate and extremely competitive.
- The staff and Board at AUS and fellow University sporting bodies who continue to collaborate for the good of the University sport industry despite fierce on-field rivalries.

- Melbourne University Sports Association Council and Executive in particular President Paul Rogers.
- The Blues Advisory Committee and the Sporting Scholarships Committee.
- Students and staff at the University who continue to support our activities in ever-increasing numbers and provide us with important feedback.
- The University Senior Executive for their continued support and recognition of the contribution that sport and recreation makes to the University.

I would particularly like to thank departing Provost Professor John Dewar for his considerable efforts in support of sport at the University over the last two years. I wish John all the best in his new role as Vice-Chancellor at Latrobe University.

I hope that this report captures some of the excitement and passion that engaging in sport, fitness and recreation activities at all levels generates.

Thank you.

Tim Lee
Director of Sport

SPORT AT THE UNIVERSITY OF MELBOURNE

Sport has a special significance for the University of Melbourne through the performance of sporting clubs, teams and high profile athletes that enhance the reputation of the University.

The Vision for Sport is that the University of Melbourne is the leading Australian University in sporting performance, level of participation and quality of facilities.

Melbourne University Sport

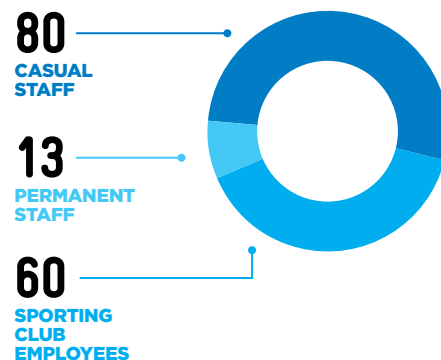

Melbourne University Sport (MU Sport) is a semi-autonomous department of the University and provides sport, fitness and recreation programs and facilities for students, staff and alumni.

The Director reports to the Provost and the MU Sport Board, the body set out under statute by the University Council to guide the strategic direction of sport at the University.

MU Sport is responsible for the management, maintenance and development of the University's sport, recreation and fitness facilities, including the buildings and grounds located on the Sport Precinct, the Alpine Lodge at Mt Buller and University Boat House on the Yarra River.

MU Sport employs 13 permanent staff, more than 80 casual staff and approximately 60 sporting club employees, including managers, coaches, instructors, medical staff and other officials.

MU SPORT EMPLOYEES

HISTORY OF SPORT AT THE UNIVERSITY OF MELBOURNE

Students have participated in organised sporting activity since the founding of the University of Melbourne in 1853.

The formation of a Sports Union in 1904 provided a structure for the traditional competitive club activities such as football, cricket, athletics and rowing. The Sports Union supported clubs financially (from the student levy) to compete in weekly or regular community competitions and for students to compete at the annual 'intervarsity' clash against rivals such as Sydney University and Adelaide University, often involving very boisterous interstate trips.

After the Second World War, the arrival of returned servicemen and the children of post-war migrants to the University created a significant shift in the student demographic and a demand for a diversification of sporting options. Some of the new recreational and instructional activities to emerge during this period included fencing, judo, badminton and competitive sporting clubs such as basketball and soccer.

The Olympic Games in Melbourne in 1956 was an important catalyst for the development of improved sporting facilities at the University, including the Beaurepaire Centre, built with generous support from Sir Frank Beaurepaire,

incorporating an indoor swimming pool, stadium and flat floor space and the installation of the first running track, provided by the Olympic Organising Committee. The Sports Precinct has since become one of the most iconic sporting images in Australia and the view from the air is instantly recognisable as the University of Melbourne.

The number of Olympic and Commonwealth Games representatives and world record holders from the University of Melbourne is outstanding. Recently 14 members of the Australian team at the Beijing Olympics had connections to the University. In 2008 the University won the Overall Australian University Championship for the third time underlining the continued involvement and dominance in competitions against other universities.

The redevelopment of the Beaurepaire Centre, in 2004, into a state-of-the-art fitness and aquatic centre significantly improved the provision of fitness and recreation services. The centre now provides fitness assessments, personal training, group fitness, physiotherapy and sports massage.

The creation of the MU Sport Board in 2009 was a significant shift in the governance and management of sport at the University.

Merv Lincoln at the finish for his first sub-minute mile at the University's Rawlinson Athletics Track, 1957.

THE NUMBER OF OLYMPIC AND COMMONWEALTH GAMES REPRESENTATIVES AND WORLD RECORD HOLDERS FROM THE UNIVERSITY OF MELBOURNE IS OUTSTANDING

The board developed and implemented the very ambitious *University of Melbourne Strategic Plan for Sport* and commenced the 4 year \$12M building program including the \$2.9M extension to the historic University Boat Shed in 2009.

The ongoing development of instructional and recreational club activity, short courses and trips and tours has continued to diversify the opportunities for students and staff and the sporting clubs and teams have continued to prosper due to the dedication and passionate support of all those involved.

For the comprehensive history of sport at the University of Melbourne see *The Ties that Bind* by June E Senyard.

2011 HIGHLIGHTS

The Australian Boat Race Back on the Yarra

The University of Melbourne's Women's Eight triumphed against the Sydney University at the 2011 Australian Boat Race held in November, with the University's Men's Eight losing by a mere 10 centimetres against Sydney in a hard fought race that saw multiple lead changes across the course on the Yarra River.

What began as a one-off opportunity to showcase the rivalry between Australia's two oldest universities has been revived as a feature event on the annual water sport calendar, involving the University of Melbourne and its interstate counterpart, the University of Sydney.

The tradition was revived in 2009 after Vice-Chancellor Professor Glynn Davis of the University of Melbourne and the University of Sydney's Vice-Chancellor Dr Michael Spence issued a call for each university to present their best male and female eight oar rowing crews for a new challenge to coincide with 150 year celebrations of both university boat clubs.

Now run annually, the Australian Boat Race involves a one-on-one race along either the Yarra River or Sydney Harbour, between the best male and female rowing eights of each university. The first race took place in 1860 on Melbourne's Yarra River. In its inaugural year, the University of Melbourne came away victorious, setting the stage for a continuance of the rivalry, which is now in its 151st year.

Both Australian Boat Race trophies were designed and produced by sculptor and University of Melbourne Director of the Office of the Senior Vice-Principal Jennifer Mann.

The 2011 Empire State Building Run Up Champion

Alice McNamara won the women's race in the 2011 Empire State Building Run Up.

An accomplished rower, who is a gold medalist at two world championships, she is no stranger to stair training, though this was her first international race.

She is currently enrolled in the first intake of the University's Doctor of Medicine (MD) graduate program, having previously completed degrees in Science and Commerce from the University of Melbourne.

"I'VE RUN A MARATHON AND ROWED IN CHAMPIONSHIP RACES, BUT THIS WAS THE HARDEST THING I'VE EVER DONE!"

ALICE MCNAMARA

2011 HIGHLIGHTS

New University Boat House Extension

The \$2.9 million University of Melbourne Boat House was completed in early 2011.

The opening ceremony included the Governor of Victoria the Honourable Alex Chernov, Provost Professor John Dewar, Senior Vice-Principal Ian Marshman, Melbourne University Boat Club President Peter Antonie and Rowing Australia President Colin Smith. The Melbourne University Boat Club is 152 years old and is arguably one of the leading boat clubs in the country and the leading high-performance sporting club at the University.

The opening of the Boathouse extension is a significant day for sport at the University and another step towards achieving its vision of being the leading sporting university in the country. The \$2.9 million Boat House extension designed by Lovell Chen architects boasts a two storey construction with a mezzanine level. The ground floor provides significant level of additional boat racking space, while the external design both preserves and enhances the iconic historical building whilst creating a

dramatic, new façade that blends old and new in a creative and interesting way, with stunning views of the city.

THE MELBOURNE UNIVERSITY BOAT CLUB IS 152 YEARS OLD AND IS ARGUABLY ONE OF THE LEADING BOAT CLUBS IN THE COUNTRY

Young Achiever Award

Year 12 student Stefan Prelevic was announced as the inaugural recipient of the University of Melbourne Rugby Young Achiever Award, an exciting tertiary scholarship supported by the Melbourne University Rugby Football Club and Super Rugby team the Melbourne Rebels.

The Melbourne High student, and captain of the Victorian Division One schoolboy's team in the 2011 national championship, Stefan received \$2,500 towards his tertiary studies, as well as a further \$2,500 to assist with his rugby development. MU Sport also provided additional in-kind support of \$1,500.

In 2011, the University of Melbourne entered into a sponsorship agreement with the Melbourne Rebels, which gave the University exclusive use of the designation Official Education Partner of the RaboDirect Melbourne Rebels. The University has exclusive naming rights to a Victorian Schools Rugby Union young rugby player/schools excellence award known as the Young Achiever Award. It is a tertiary education scholarship up to the value of \$6,500 and was awarded for the first time in 2011 to the student/rugby player who best exemplified the characteristics that Sir Ernest Edward "Weary" Dunlop was famous for: leadership, academic endeavour and sporting excellence, and he is the only player from Victoria inducted into the Wallaby Hall of Fame.

Rugby Young Achiever Award winner Stefan Prelevic (L) and runner up Andrew Gillies (R) with RaboDirect Melbourne Rebel Luke Jones.

Classic mile race returns to Melbourne's Rawlinson Track

Eliza Curnow (4:48.8) and Tyson Popplestone (4:11.1) won Victorian Championships over one mile at Melbourne University's Rawlinson Track as part of Victorian Milers Club's Meet 4 in February.

While University alumnus Merv Lincoln's 1957 track record of 3:58.9 (the third sub-four-minute mile by an Australian and the second run in Australia) was not threatened, the racing was fast and fought on the tight bends

of Melbourne University's historic track. Merv's son Tim Lincoln and wife Dawn Lincoln were on hand to present the medals to the Champions.

University Students Compete in the World University Games

Shenzhen, China, hosted the 26th World University Games in August, bringing together student athletes from around the world.

The University Games are biannual, dating back to 1924. They bring together the world's top student athletes who are successfully pursuing their sport while simultaneously maintaining their academic studies. Eleven Elite Athletes from the University of Melbourne represented Australia:

- Swimming: Marieke Guehrer (Arts), Jessica Morrison, Grace Loh, Samantha Marshall, and Emily Selig (Commerce all)
- Tennis: Sam Thompson (Science)
- Taekwondo: Marcus Memmolo (Arts) and Alex Phillipos (Commerce)

- Cycling: Eric Sheppard (Commerce)
- Water Polo: James Wood (Science)
- Volleyball: Jason Hughes (Commerce)

University Hosts 16th National Indigenous Student Games

14 teams from around the country participated in the annual multi-sport event held at the University of Melbourne Sport Precinct in September.

For 2011, the Indigenous Games partnered with the University's Department of Sport and Murrup Barak, the Melbourne Institute for Indigenous Development, to highlight this opportunity for Aboriginal and Torres Strait Islander students to meet Indigenous students from across Australia and to celebrate a healthy lifestyle.

The University of Melbourne won gold in netball and silver in basketball and volleyball, which garnered the University's second, successive first place championship (followed by the University of Western Australia and James Cook University in second and third, respectively).

Melbourne University students participate in the 2011 Indigenous Games.

STRATEGIC PLAN FOR SPORT

CAPITAL PROJECTS

THE BOATHOUSE EXTENSION
PROJECT, DESIGNED BY RENOWNED
HERITAGE ARCHITECTS LOVELL
CHEN AND ASSOCIATES, WAS
COMPLETED AND OPENED BY THE
VICE CHANCELLOR IN MAY 2011.

CAPITAL PROJECTS

Sport Centre Renovation

The Sport Centre refurbishment project will deliver a number of benefits to sporting clubs and to users of the Sports Centre and the adjacent athletics track and hockey pitch.

When it became apparent during the Sport Pavilion's feasibility study in early 2011 that the proposed location for a multi-purpose Pavilion was not supported by the University Master planner, a subsequent briefing document was developed which sought to use the space in and around the Sports Centre.

The Sports Centre refurbishment project includes six squash courts and the current change facilities, and to provide improved external spectator amenity. At the end of 2011, the plans had progressed to design and development.

Oval Pavilion

The Main Oval Pavilion which is located adjacent to the Main Oval on campus has deteriorated over many years and is no longer fit for the purpose required. A modern pavilion has been proposed incorporating the heritage listed turret and social room.

During 2011, the Pavilion project developed further and designs were reviewed by Clubs and other stakeholders. Original plans needed further review as a result of heritage issues associated with the site. The initial heritage report response was received in June 2011 and the final report in October 2011.

Following the final heritage response, the revised concept, including the original turret and function space, was presented to Melbourne University's Property and Campus Services (PCS) for review in November 2011.

Following the PCS review, further redesign changes were requested to create a stronger entry to the eastern side of the building in order to facilitate improved access for events to be held at the Pavilion.

Lincoln Square Fitness

To meet the growing fitness demands of students and staff in the University's South Precinct (south of Grattan Street), a space for a satellite gym and group fitness facility was sought.

Late in 2011, work commenced on gutting and refitting the building located at 183-193 Bouverie Street. The work primarily involved removing walls, to open space up, as well as installing four showers. This exciting undertaking stayed on track for completion by March 2012.

VENUE BOOKINGS

Bookings in 2011

Stadiums closed in early January for sanding and polishing, sports centre facilities closed for the whole of December.

Overall MU Sport income for indoor and outdoor hire rose to \$21,073 higher than in 2010.

SKI LODGE OCCUPANCY

BEDS BOOKED

Bookings in 2011

Lack of snow at end of season lead to a fall in bookings in 2011.

Membership

2011 saw a steady increase in membership numbers from 2010, from 8,180 to 8,790 with major increases in the take up of longer-term memberships options most notably in 12 month fitness and semester/college fit options. Shorter term (1 month) memberships options declined.

Two additional colleges joined the CollegeFit membership scheme, resulting in an additional 230 college students/staff accessing the facilities. Even with this addition, Semester membership numbers remained steady.

Non-student numbers were similar to past years remaining steady at 3000 with the only noticeable variance from 2010 occurring in May due to both a decline in Pool swim pass visits and the take up of four (4) month memberships.

Salary package member numbers rose consistently in 2011 to 380 with a dip in numbers in January and February due to a promotion on 12 month memberships that ran at the beginning of 2009.

FITNESS PROGRAMS

Overall Group Fitness attendance for 2011 was steady throughout the year.

The strongest four programs for 2011 were Body Pump bringing in 10,412 participants, Yoga 7,088, Body Step 6,098 and Body Attack 5,277.

Class averages for the year were stable during the regular semester timetables and slightly higher in the reduced timetable.

During 2011, there were 19.76 average participants per group fitness class.

TOTAL CLASS ATTENDANCE

FITNESS PROGRAMS

Aquatics, Strength & Fitness

Aquatics, Strength and Fitness and its newest program Boot Camp have seen solid growth in 2011.

Aquatics

Average monthly pool attendances increased in 2011 to 4,344 (from 4,270), with a slight drop off over winter due to a colder / wetter winter.

Partner Propulsion Aquatic serviced the Aquatic Learn to Swim and Squad sessions for the University of Melbourne staff, students and their families. During quieter periods, local school groups utilised pool space.

The purchase of a new pool cleaning robot resulted in superior cleaning and large energy savings.

POOL PARTICIPATION

Strength & Fitness Gym

A \$60k capital improvement plan was initiated for 2011 to upgrade four treadmills for the Fitness Gym and add a substantial amount of Hammerstrength and Life Fitness Gym Equipment to the Strength Gym.

The new equipment was geared towards functional training and utilising maximum floor space to ensure that participation continued to track consistently as in previous years.

GYM PARTICIPATION

Boot Camp

For the first time, Bootcamp in 2011 became a continuous program running for 48 weeks of the year. Small classes and a focused approach showed a steady attendance for 12 week Bootcamp memberships.

BOOT CAMP PARTICIPATION

CAMPUS & COMMUNITY SPORT

Campus Sport

Campus Sport provides opportunities for students and staff to compete socially and in a fun lunchtime sporting program.

Three competitions were held throughout the year; semester 1 and 2 were the major seasons with a spring competition offering a Mixed Soccer competition during the end of year break. Sports offered in 2011 were Men's and Mixed Futsal, Mixed Netball and Volleyball.

5,805 participant opportunities were provided in 2011, (up from 4,350 in 2010) due to a restructuring of draws to provide more games for all teams. Futsal continued to be the most popular Campus Sport program with 3408 opportunities for participants.

Community Sport – Tin Alley Netball

Community Sport started in 2011 focused on providing access to social sports for participants from both the University and wider community.

Tin Alley Netball was the first competition offered in Semester 1 and was played on Wednesday nights. It saw eight teams participate in a mixed competition over 11 weeks. Semester 2 saw entries to the mixed competition expand to 11 teams and, also the addition of a six team women's competition run in parallel.

'Balls and Skirts' were the victorious team in both semester 1 and 2 mixed competitions whilst the Untouchables won the women's title in semester 2.

COLLEGE SPORT

Students representing the 11 colleges participated in 24 sporting competitions in 2011. Ormond was victorious in five competitions, while Trinity won four, Newman three and Queen's and St. Hilda's were the other multiple winners with two victories each. College Sport provided a total of 5,705 participant opportunities through the program.

Highlights for the year include:

- Ormond Men and Queen's Women ruling the river to take the 1st XIII rowing titles on Melbourne's iconic Yarra.
- Kendall Hall winning their first sporting crown in many years, dominating the Women's basketball competition.

- Newman hit a free throw after the buzzer to take the Men's basketball title in a thriller over UC.
- Newman also taking back-to-back titles in the Men's 1st XVIII AFL
- UC destroying all comers in the 2nd XVIII competition.
- Trinity was a surprise packet, victorious in the First XI cricket
- Ormond Women proved strong across the board winning five titles.
- Ormond College won the Holmes Shield for Women's points. Trinity won the Cowan Cup for Men's points whilst Queen's won the Tickner Cup for Overall Place (Weighting).

Overall winners Queen's College representatives Josh Hendrikse and Kat Martin.

COMMUNITY EVENTS

Clockwise from left: Supporting student, staff and alumni in various community events: runners at the 2011 Melbourne Marathon; champions of the Vice Chancellor's Cup: Melbourne University Golf Club; services for University cyclists participating in Around the Bay.

Students, staff, alumni and friends were supported in three community events in 2011 – the Melbourne Marathon, Bicycle Victoria's Around the Bay in a Day and the Vice-Chancellor's Cup (the University of Melbourne Golf Day).

In May, 54 members of the University community took part in the fourth annual Vice-Chancellor's Cup at the prestigious Woodlands Golf Club. Players enjoyed a great

day on the course competing in an Ambrose competition followed by a gourmet BBQ and presentations by Melbourne University Sport staff. The winners of the competition were the Melbourne University Golf Club foursome.

Nearly 100 participants walked, jogged and ran distances from 5.5km through to the 42.2km in the Melbourne Marathon in October starting and ending near the Melbourne Cricket Ground. All participants were supported on site by MU Sport via services and staff at a

University marquee. MU Sport staff provided complimentary cloak-room and massage services, an outdoor stretching/recovery area, and food and drink.

The following week saw over 50 participants participate in the Around the Bay in a Day bike ride. MU Sport used its new Boat House function space in partnership with Monash University to provide services to combined University riders, which included a cloak-room, food and drink and massage services.

UNIVERSITY SPORT

The University of Melbourne had another successful year winning eight Division One national championships at the Australian University Games (AUG) on the Gold Coast in September in the following sports:

- Mens Badminton
- Mens Cycling
- Mens Volleyball
- Mens Rowing*
- Womens Hockey
- Womens Squash
- Womens Swimming
- Womens Rowing*

* at the Australian University Championships at the Sydney International Regatta Centre in Penrith, NSW

The University was also national runners-up in:

- Kendo
- Womens Netball
- Mens and Womens Snow Sports
- Mens Squash
- Mens Table Tennis
- Ultimate Frisbee

The University finished in third place in women's Athletics, Fencing and men's Hockey; with top-four results in men's and women's Basketball, women's Badminton, women's Football (Soccer), Taekwondo and women's Tennis.

AUSTRALIAN UNIVERSITY GAMES PERFORMANCE

University table tennis players and netball team compete at the 2011 University Games.

Australian representatives Luke Chong (Optometry) and Jeff Tho (Dentistry) led the Badminton team to our second national championship in three years.

Undefeated throughout the Games, Chong and Tho defeated University of Western Australia 3 – 2 in the gold medal match. Men's Cycling continued their dominance of the Games, winning our ninth national championship in the past ten years. Eric Sheppard (Commerce) dominated the competition winning gold in the Individual Time Trial, the Criterium, and the Pairs Time Trial with Peter Braunsteins (Science).

The surprise performance of the Games came from our women's Hockey team. Having previously won 31 national titles, the last of which was in 1992, the team claimed the national championship for the first time since the inception of the Australian University Games format in 1993. Dominating the four preliminary pool games with a 13 – 1 goal difference, the team went on to defeat University of Technology Sydney 14 – 0 in the QF, Monash 4 – 0 in the SF and Sydney 1 – 0 for the gold. Candice Liddy (Physiotherapy) and Tegan Brown (Science) were the team's best players.

Jessie Yeung (Engineering) and Si Hua Lai (Commerce) led our women's Squash team to victory. The team of five dropping only four rubbers (35 – 4) from its 10 matches

throughout the tournament. The women's Swimming team also blew their opponents out of the water. The team won 10 of 15 individual Championship races and medalled in 14 of these 15 races. The team also won all four relays. Of the 10 individual race wins, seven were won in a Games' Record time, and Melbourne swimmers were 1st and 2nd in five of these races.

In the four Championship relays, Melbourne won all four and broke the AUG record time with the 4x50m Medley Relay bettering the old Games' Record by more than 10 seconds. Marieke Guehrer (Arts), Grace Loh (Commerce), Samantha Marshall (Science), Jessica Morrison (Commerce) and Emily Selig (Science) were the stars of the pool.

Having played second fiddle to our women's team in recent years, the men's Volleyball team fought their way through the tournament and a number of tough five-setters to eventually defeat Monash 3 – 2 in the gold medal match. Tom Swallow (Commerce), Will Lewis (Arts) and Jason Hughes (Commerce) led the team to gold – its first Games' medal since a bronze in 2008.

The Australian University Championship for Rowing was also an outstanding competition for our Winged Victory oarsmen and women. In a regatta shortened due to adverse weather, our men won all four of the contested boat classes while our women won three of five contested boats. Both men and women won their respective Eights with

IN A REGATTA SHORTENED DUE TO ADVERSE WEATHER, OUR MEN WON ALL FOUR OF THE CONTESTED BOAT CLASSES WHILE OUR WOMEN WON THREE OF FIVE CONTESTED BOATS.

comprehensive victories over Adelaide [by 11 seconds] and Sydney [by 15 seconds] respectively. The men's Eight victory also saw the University of Melbourne reclaim the prestigious Oxford and Cambridge Cup for the first time since 2001.

With the total number of Division One national championships won at the Australian University Games determining the Overall Champion for 2011 (a new system replacing the previous participation-heavy points format), the University of Melbourne's six national titles had it finishing third behind Sydney (11) and Monash (8).

With the combined results of Australian University Games and stand-alone Australian University Championships, Melbourne finished third again in the AUS Overall Champion's race – Sydney was first with 13 national championships, Monash was second with eight national championships and eight national runners-up while Melbourne finished with eight national championships and seven national runners-up [see an expanded list of University of Melbourne Winged Victory results on page 22].

SPORTS AWARDS

The University awarded 117 Sporting Blues (72 Full and 45 Half) to student athletes during 2011 for outstanding sporting achievement.

Rowing received the most Blues of any sport with 25 Full Blues in recognition of their domination at the 2011 Australian University Championships at the Sydney International Regatta Centre. Notable accomplishments included:

- Alice McNamara (Medicine) – seventh Blue since her first year of undergraduate studies
- Tom Larkins (Architecture) – fifth Blue for rowing.

- Finlay Batts (Arts) – fourth Full Blue for Touch
- Luke Chong (Optometry) – fourth Blue for Badminton
- Angela Darby (Architecture) – fourth Blue for Fencing
- Corinna Minko (Veterinary Science) – fourth Full Blue for Athletics

A Distinguished Service Award for outstanding contribution to the Melbourne University Ski Club over eight years of service was also presented to alumni Courtney Date (Commerce/Engineering).

Former Provost John Dewar congratulates Full Blue Hockey player Candace Libby.

University Sport Awards

The women's Swimming team was awarded the University Sport team of the Year for their dominant display at the Australian University Games (AUG) on the Gold Coast.

The 10-strong team won a staggering 14 of the 19 Championship races (medaling in all but one of the races). Eleven of these victories (including all four relays) established new AUG record times!

The University Sport Female Athlete of the Year was awarded to swimmer Marieke Guehrer (Arts) who won an amazing 10 gold medals (six individual and four relay) at the AUG, which included eight new Games' records. This accomplishment is arguably the greatest ever performance by an individual at an Australian University Sport/intervarsity event.

The Male Athlete of the Year was awarded to cyclist Eric Sheppard (Commerce) who also dominated at the Games winning three gold and a silver medal in the four-discipline competition.

Rowing coach Alex Henshilwood won Coach of the Year – Boat Club.

The women's swimming team, Marieke Guehrer and Alex Henshilwood were also awarded for their outstanding results on the national university stage, and Director of Sport Tim Lee was recognised for his service on the board of Australian University Sport.

Club Awards

The men's U23 Eight won Outstanding Club Individual/Team Performance of the Year – Boat Club, and Greg Kennedy won Club Personality of the Year – Cricket and Ski Clubs.

The Melbourne University Squash Club was also named Club of the Year for their administration, on-court success and University Games national championship (Women) and runners-up (Men).

Other Awards

The 2011 Lazer-Law Medal for outstanding sporting achievement was awarded to cyclist Lachlan Norris (Science).

A multiple Blue for mountain-biking and road cycling, Lachlan had the unique honour of representing Australian in various mountain-bike races during the year while also riding on the road in the professional ranks with HTC-Highroad – the No. 1 team in the world in 2011.

SWIMMER MARIEKE GUEHRER WON AN AMAZING 10 GOLD MEDALS... THIS ACCOMPLISHMENT IS ARGUABLY THE GREATEST EVER PERFORMANCE BY AN INDIVIDUAL AT AN AUSTRALIAN UNIVERSITY SPORT EVENT.

ELITE ATHLETE PROGRAM

The Elite Athlete Program supported 159 student athletes in 2011.

This support included MU Sport facility access (aquatic, fitness and other training environments), Australian University Championship and Games subsidies to represent the University, physiotherapy

services, international competition grants, and financial scholarships.

95 students were also recognised as elite athletes (state/national representatives) under the University's Elite Athlete and Performers Policy and were offered flexible study arrangements where their sport impacted on their academic studies.

The chart below highlights the faculties student athletes were enrolled in. In addition, the Elite Athlete Program best supported Rowing with 17 students, Australian Rules Football (including eight AFL-listed players) and Swimming both of which had 15 students supported. Male students accounted for 110 (69%) supported places, while female students accounted for 49 places (31%).

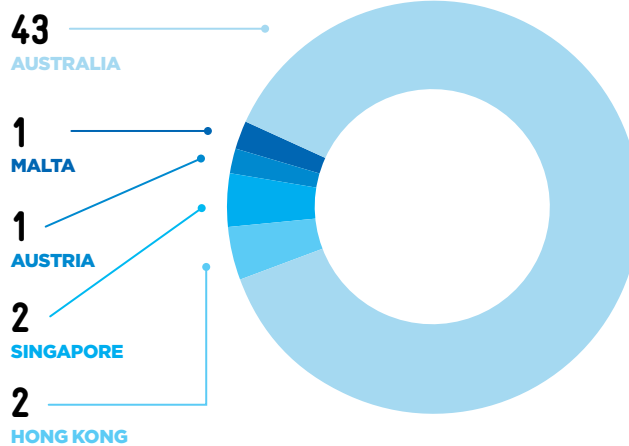

ELITE ATHLETE SUPPORT BY FACULTY/GRADUATE SCHOOL

ELITE ATHLETE SUPPORT BY SCHOLARSHIP TYPE

NATIONAL AND INTERNATIONAL REPRESENTATION

Forty-nine students were national representatives across 23 different sports in 2011, with the majority representing Australia.

Of these national representatives, aquatic competitions were dominant with nine students competing in international rowing regattas including the U23 and Senior World Championships, six competing in the swimming programs at the World University Games and five competing in water polo competitions at the World Championships and World University Games.

ELITE ATHLETE BY NATIONAL REPRESENTATION

ELITE ATHLETE NATIONAL REPRESENTATION BY YEAR

SCHOLARSHIP RECIPIENTS

High Performance Scholarship Recipients

High Performance scholarships of up to \$1,000 are awarded to the University's elite student-athletes who have been senior national representatives. The benefits of the Vice-Chancellor's Elite Athlete Grant, Winged Victory University Sport Support and ScholarFit Membership are also usually afforded to these recipients.

CAPTION:

WITH A GROWING AND ACTIVE
MEMBERSHIP, MUAC LOOKS TO
HAVE SOME GOOD YEARS AHEAD.

Melbourne University Athletics Club (MUAC) continued to be amongst the leading track and field and cross country Clubs in the state. MUAC was one of four Clubs statewide to field two division one teams at the Shield Final.

MUAC fielded seven teams (four men and three women) in Athletics Victoria's winter competition of road and cross country racing. The women's division one finished in fourth place, whilst the men's division two team claimed first and promotion to division one. The men's division three, five and seven were Champions or Runners Up in their respective divisions and as a result gained promotion to the next division.

With a growing and active membership, MUAC looks to have some good years ahead.

2011 saw the continuing growth in competitive badminton with over 50 players joining the Club's Performance Badminton Centre to receive additional training and practice.

This continued focus on competitive badminton resulted in many pleasing performances in State and National competitions. In the State Pennant and Doubles League, Club representatives performed well disappointingly falling short of achieving the "double" despite leading the round robin stages of both competitions.

Club representatives were regular participants at International, National and State level tournaments throughout the year. The final season competition being the Melbourne University Open & Graded Championship which was once again sanctioned as a National ranking series tournament saw many notable results from club representatives on their home turf. Social sessions continued to be well-attended by members throughout 2011.

After a strong 2010 Season, Baseball expected big things in 2011.

However, with a number of the Club's elite players taking a step back from winter baseball for family, work and study commitments, 2011 became a year of opportunity for the mature age recruits that the baseball club had plucked from other sporting pursuits and turned into top amateur baseballers.

The Club recruited Ryan Camov from Lara to help fill the holes in their pitching rotation, Sid Paleri and Matthew Donoghue also stepped up from the 3rds to being reliable members of the 2nds and in Sid's case, matching it with Melbourne's best at 3rd base in the Firsts for the latter half of the season.

The men's Firsts, playing in the A-Grade competition staved off relegation, admirably led by Assistant Head Coach Steve Lehmann, providing a platform for a Final's assault in 2012.

The Melbourne University Basketball Men's Big V team was once again successful in gaining a finals berth but unfortunately lost in the three game semi final series. The Women's Big V Team unfortunately let the chance to make the finals slip, finishing outside the top 4.

Regardless, it was a year that saw new players recruited and hopefully this will spur both teams towards a bigger and better 2012 season.

On a domestic level, the Club entered a record number of teams in the Sunday night CYMS winter season competition with 13 men's and 5 women's teams competing. Teams also competed in other domestic competitions such as MSDBA and MMBL. The domestic program saw several teams make finals and win three premierships across the various competitions.

Regional tournaments were once again a huge success for MUBC with several winning teams and runners-ups as well as a number of outstanding individual performances.

Melbourne University Boat Club continued to enjoy considerable success both domestically and internationally in 2011.

The Club competed in events in North America, Great Britain, New Zealand and Korea, whilst international representatives competed in European World Cups and the World Championships in Croatia. At the National Rowing Championships, the Club placed second overall on the medal table,

winning ten national titles including a clean sweep of all men's U23 sweep events.

The Club was successful once again at the Head of the Yarra, winning both male and female headships. The men's crew were runners up in the Australian Boat race held

on the Yarra, whilst the women won convincingly. The extension to the Club house was completed with grateful thanks to Melbourne University and the Club is poised for a memorable Olympic year in 2012.

Season 2010-11 produced mixed results for the Cricket Club with three of the six teams making the finals.

The women's team finished highest (3rd) but was eliminated at the semi-final stage. The Third XI won its quarter final but also went out in a semi-final, while the Fourth XI lost its quarter final. The First XI had some excellent results, including wins over eventual premiers Dandenong and semi-finalists Geelong, but a lack of consistency saw it finish lower than its ability deserved. Two successful functions were held: the annual business breakfast and, through some excellent work by Andrew Burridge and Rachel Derham, a dinner at Trinity to celebrate all past premierships.

The Melbourne University Football Club had a tough year in the Victorian Amateur Football Association.

The 2011 season did not finish as well as first anticipated with the Senior Blacks dropping some close games in the second half of the season that ultimately stymied their finals aspirations. Nonetheless there were plenty of positives for the year with several young players making their debut and the team defeating both grand finalists during the season. The team was in the top four for the first half of the season with some great football played.

The Blues Senior team finished 4th after a very slow start to the the season, and unfortunately were defeated in the first semi final. The Reserves too were narrowly defeated in both their finals games. The Blues Third Team were the pride of the Club in 2011, showing enormous camaraderie and character to make it through to the Grand Final unfortunately falling at the final hour to become the 2011 Runners-up.

The Club has enjoyed a great period of off-field support and volunteer input.

The MUGARs underwent a year of junior growth in 2011 bringing the Club to two senior teams, a youth girls (U/18) team and a new U/12 team, the “Mugaroos”.

The Club was actively involved in assisting at the North Melbourne Auskick centre, developing its partnership with the North Melbourne Football Club and their U/12 Girls Academy program, and running a Youth Girls Development Day.

The Club appointed new Head Coach Michael Sandry who, working alongside the committee, introduced a number of new initiatives including greater opportunities for u/18s to play senior games, a longer preseason for senior players leading into the 2012 season and clearer rotation and selection policy. With

the possibility of an AFL Victoria managed state league in the near future, the Club are looking to be positioned as best as possible with facilities, policies and on-field performances. With MUWFC teams now playing at all levels of female football in Victoria, the Club is well positioned heading into the future.

Melbourne University Futsal Club had a prosperous year in 2011, both on and off the pitch.

With the strong establishment of the men's team in the State league, and the continuing commitment and achievements of the women's team driving the Club's success. The success of the Friday Night League hosted at Melbourne University is perpetuated by the increasing demand and large participation rates of casual players. The Club's commitment to the promotion of Futsal was evident by their support of the Goal for Charity Tournament in May.

Paul Boltwood (Men)
Lou Ciriello (Women)

2011 was a mixed year on-field for the Hockey Club.

Men's Pennant C capped off a dominant season with a premiership, but the women's State League 3 team suffered a heart-breaking loss in the Grand Final, denying them promotion after a strong year.

In October, Sydney Uni Hockey Club travelled down to Melbourne for the Centenary Cup, and some great hockey was on show. Unfortunately SUHC retained the Cup 8-8 on aggregate, having come from behind to win the women's match 3-2, while MUHC won a see-sawing men's match 6-5.

Off the field, the Club made the significant decision to invest some of their cash reserves to seed the University's new Sport Foundation, establishing a Hockey chapter that it is hoped will grow and support better scholarships, services and facilities for hockey players for years to come. The Club also farewelled its long-serving Secretary (and Life Member), Tim Mattingsbrooke, who has taken up an academic position in Germany.

The 2011 season for Melbourne University Lacrosse Club was a challenging but productive year.

The Club saw the reformation of the Women's team after a year without a women's side, and the Club was greatly encouraged by the number of new women who were recruited, as well as the return of previous female players who had since gone to other clubs.

The Club's junior program continued to grow with 58 junior members in 2011 and an U14 team for the fourth consecutive year. This junior program is proving to be a great benefit to player development with two players selected from the Clubs first ever U14 team selected in the 2011 Australian U19 team.

It was another successful year for the Melbourne University Netball Club.

The Club had 18 teams competing in the Parkville Netball Competition in both seasons, in addition to expanding to incorporate three teams in the Melbourne University Tin Alley Competition. All teams competed strongly, with almost half making finals.

MUNC 1 finished a close runner-up in the division 2 competition in the Autumn season, gaining promotion to division 1 where they finished as semi-finalists in the Spring Season. The other premier league teams also had successful seasons, with three premierships and one narrowly missing the grand final in extra time.

The Rugby Club's strong on-field performances throughout 2011 were supported by an enthusiastic group of volunteers.

With a strong coaching team led by Paul Webster with the additions of former Wallaby Peter Grigg, Will Gallagher, Jeff Ivory and the return of former MURFC player Campbell Thomson, three of the Clubs four senior sides reached the finals round. The Premier Second team was Victorious and crowned as 2011 Champions for the first time since 1972.

A number of MURFC players were selected in a number of representative sides including: Harley Whaikawa, Australian Universities; Netani Qicatabua, Thomas and Sione Kolo, Fijian U20 World Cup team; David Hardisty, Tom Broughton, Rebel Rising as well as many Victorian rugby representatives.

The University of Melbourne, formed an alliance with the Melbourne Rebels and established a unique \$5,000 scholarship for a talented young Year 12 footballer known as the Young Achiever Award. This award received substantial coverage through the Victorian and Melbourne Rebels rugby communities and was announced at the final Weary Dunlop luncheon in November in front of 800+ guests. The inaugural recipient was Stefan Prelevic from Melbourne High and the two runners-up were Andrew Gillies from St Kevin's and Antony James from Melbourne Grammar.

2011 was a season of both highs and lows for the Soccer Club.

There were some good wins, a few too many losses and close draws. The State 3 Seniors were only three points from promotion and the Prov. 2 Seniors were only four points from

safety. Regardless of team performance or score, everyone can be proud of the effort that has gone on each and every week. 2011 was a record-breaking year where the Club fielded

14 teams across all competitions, with over 200 registered players – making the Club one of the largest club's in Australia.

The Table Tennis Club had a successful year in 2011.

The year kicked off with the inaugural Table Tennis Victoria Premier League, a competition involving the very best players from around Australia, with Melbourne University once again entering a team. In addition to this high performance competition, the Club hosted the Southern Universities Challenge where they were Runners-up.

The Tennis Club's achieved great success in regional competitions and tournaments in 2011.

The Club started the year by winning two premierships in the Bayside Regional Tennis Pennant Summer Competition; in the men's Singles/Doubles Grade 5 and the women's Singles/Doubles Grade 3. The women's team captained by Lisa Lovell was also awarded the Butterworth Trophy for achieving the highest win/loss ratio across the entire Association which consists of over 100 teams.

The Club won another premiership in the Tennis Victoria women's Grade 6 Pennant, captained by Maree Zannis.

Jim Kurti and Pricilla Djuardi were awarded the Tennis Victoria Player of the Year in their respective pennant grades for their exceptional performance during the winter season.

The Club also participated in the Easter Tournament in Shepparton winning men's A Grade Singles, men's B Grade Doubles, mixed B Grade Doubles, men's C Grade Singles, men's Under 18 Singles and contributing to the men's A Grade Double win. The Club capped off the year by winning the Australian Corporate Games Tennis Championship for the second year in a row.

CLUB RESULTS

The Touch Club had another year of success and development.

While the Club did not quite meet the heights of 2010's extraordinary on-field results, the Club had consistent performances in all tournaments entered.

The club also solidified itself in the Victorian Touch League as a competitive franchise, taking out the men's division minor premiership in its first year as a permit. The club also spent considerable time developing young players while training coaches and instructors. The high level of club participation and well run trainings were again another feature for the Club.

CLUB RESULTS

TEAM	DIVISION / LEAGUE	RESULT
MU Northern Blacks	Men / Victorian Touch League	2011 Minor Premiers / 3rd
MU Northern Blacks	Women / Victorian Touch League	5th

The Club entered nine teams in the Victorian Volleyball League with three teams making the finals and the junior team winning a Silver Medal.

A number of club members were recognised for their individual outstanding performances throughout the year. League Awards included, Player of the Year, Chrissie Mahon, Coach of the Year, Vancho Pockov & Rising Star, Tom Swallow. Three Club members also achieved League All Star 7 selection to represent Victorian in matches held against Queensland.

The results of the Club's junior volleyball program, which has been growing over the last couple of years, was again extremely promising with nine junior boys selected to represent Victoria in the Australian Junior National Championships. Most notably was the selection of Tom Swallow and Michael Cirillo in the Championships All Star 7 team. Michael Cirillo was chosen as the U21 Men's Team Captain, who was also awarded the overall Victorian State Program MVP. A further two boys were invited to attend the Australian Youth Camp held in December.

Of the 10 teams entered into regional tournaments throughout the year, 5 were won. The combined success of all teams was enough for the Club to win the 2011 Volleyball Victoria Regional Championship Series.

The Club continues to its involvement in the Australian Volleyball League through the University Blues partnership (both men and women), providing access to elite competition to a number of club members. The 2011 team contained a number of club members, one of which, Eric Schriber, was selected as the League Best Defender in the All Star 7 team. The Club's involvement in this program provided an opportunity to host and compete in a three game series against visiting Chinese Women's National League Team.

CLUB RESULTS

The Melbourne University Weightlifting & Powerlifting Club continued its competitive success in 2011 with members breaking a number of Commonwealth, Oceanic and National records as well as taking home a number of National and Commonwealth titles and medals.

Off the platform; the Club was the driving force behind hosting the first ever Powerlifting Australia 'Raw' Nationals at the Victorian Weightlifting Centre and backed up last year's "Best Ever" Open Nationals with an even better event for the 2011 Open Nationals and the Pacific Invitational.

GEOFF REES

Geoff Rees is a graduate from Melbourne University in law and commerce and is a Law Institute of Victoria accredited business Law specialist. He has extensive experience in business advisory and litigation and is one of Australia's leading telecommunications lawyers.

Geoff has wide corporate governance experience, especially in Telecommunications and educational research institutions. He is Rowing Australia's Legal Counsel. He competed at the World Rowing Championships in the Men's Lightweight Coxless Four and won Gold in 1974, Bronze in 1975, Silver in 1977 and Bronze in 1978. He received a Full Blue in 1976, a Full Blue in 1973 and a Half Blue in 1972 for Rowing. Geoff is still an active member of the Melbourne University Boat Club.

JAMES SUTHERLAND

James Sutherland (Bcom 1988) was a medium-fast bowler who became a versatile off-field allrounder. Twelfth man for Victoria's 1990-91 Sheffield Shield victory, he played four first-class matches and became a Level III coach. A chartered accountant, he worked as Finance Manager with Carlton, the AFL club, for six years and in 1998 joined the Australian Cricket Board as a General Manager, Commercial. He is a life member of the Melbourne University Cricket Club, where he was also a coach. He played in three first-grade premierships during a 17-year career.

He is currently the CEO of Cricket Australia. James received Full Blues in 1989 and 1990 and a Half Blue in 1986 for Cricket.

MARK HARGREAVES

Mark Hargreaves completed his BSc (1982) and PhD (1989) degrees in physiology at The University of Melbourne and an MA (1984) in exercise physiology at the Human Performance Laboratory, Ball State University, USA. His pre-and post-doctoral

Training included two visits to the University of Copenhagen. He is a Fellow of the American College of Sports Medicine.

During his spare time he enjoys tennis and reading sport biographies. Mark received a Full Blue in Tennis in 1981.

LYNNE WILLIAMS

Dr Lynne Williams is Deputy Secretary, Economic and Financial Policy Division of the Department of Treasury and Finance. Lynne is responsible for the provision of high-level policy advice and economic and financial analysis to the Victorian Government on taxation policies, economic, social and environmental issues and financial strategy. Lynne joined DTF after holding the position of Deputy Secretary, Business Support in the Department of Innovation, Industry and Regional Development.

Lynne has worked as an economist in the public sector for over 20 years. She has worked in several State and Commonwealth research agencies and was Principal Adviser, Research at the (Commonwealth) Productivity Commission immediately prior to joining the Victorian Public Service in 2001. Lynne received Full Blues in Athletics in 1974 and 1975.

MARGARET ABERNETHY

Professor Margaret Abernethy is the Dean of the Faculty of Business and Economics, Director of the Graduate School of Business and Economics and holds the Sidney Myer Chair of Commerce and the Chair in Managerial Accounting at the University of Melbourne. In 2008 Margaret was named Telstra Business Woman of the Year for the Community and Government sector in recognition of her contribution to higher education. She is internationally recognised as one of the leading researchers in her field and has taught across a range of subjects at the undergraduate and graduate level and is recognised as an outstanding teacher.

MITCHELL ANDERSON

Mitch Anderson is a University of Melbourne alumnus having graduated with a Bachelor of Physiotherapy with Honours (1997), a Bachelor of Science with Honours (1998) and a Bachelor of Medicine and Bachelor of Surgery (2006). He was a Melbourne University Sport High Performance Scholarship recipient from 2004-2006 and was awarded a Full Blue for Cycling (1997, 2001, 2002, 2003, 2004, 2005 and 2006). Mitch is an ironman triathlete and has completed some 20 ironman events, including five Hawaiian Ironman World Championships (including a best finish of 11th in 2004). While becoming a professional triathlete in 2008, he continues to work as a doctor in general medicine as well as being a sought-after print and television media commentator.

MARIEKE GUEHRER

Marieke Guehrer is a professional athlete and current member of the Australian Swim Team. A current world champion and former world record holder, Marieke has represented her country at the Olympics, Commonwealth Games, World Championships and Pan Pacific Championships during the last decade. She is a member of the Aussie Swim Team's Leadership Group, is on the Executive Committee of the Australian Swimmers' Association and is a committee member of her home swimming club, Melbourne Vicentre. Outside the pool, Marieke is in the process of completing her Bachelor of Arts majoring in International Relations and Media & Communications, and has her sights set on a career in the media. Marieke received full blues in 2008 and 2009 for swimming.

MUSA PRESIDENT REPORT

Since 1904, the Melbourne University Sports Association (MUSA) has represented the various sporting clubs of the University by advocating for their needs and advising the University of their interests.

In this time, it has been terrific to see sporting clubs achieve huge success whether externally or within the University environment. It is pleasing to see that 2011 has continued this success.

It is terrific to see our 39 sporting clubs continuing to prosper at many different but equally important levels. We are proud to have had many clubs excel in their sporting disciplines in local, interstate, and international events. Correspondingly, MUSA is and are delighted to see clubs continue to increase their exposure, retain more members, and increase participation rates in sport more than in previous years. Whether it is a weekday instructional training, competitive sporting weekend, or that committee meeting that seems to take that little bit longer than expected, it is fantastic to see so many people involved in the University of Melbourne sporting community. While there have been challenges along the way, it is pleasing to see both clubs and individuals support each other to ensure that our University upholds its sporting prestige as well as an ever-growing participation in healthy lifestyles.

MUSA is also delighted to see clubs continue to provide strong social programs in addition to their on-field activities. While some may view these as separate occasions, these two important areas of sport culminate at the annual MUSA Dinner and Blues Awards Presentation where the success of the year past is celebrated. In 2011, around 110 past and present athletes celebrated the success of athletes, teams and clubs as well as reflecting on the incredible history of sport at the University. In this particular year, we were excited to host his Excellency the Honourable Alex Chernov, Governor of Victoria in one of his first functions in the role. As always this was a very successful and enjoyable night and we thank Tim Lee, Rod Warnecke, Julie Caundle and the MU Sport team for their support in organising the event.

IT IS TERRIFIC TO SEE OUR 39 SPORTING CLUBS CONTINUING TO PROSPER AT MANY DIFFERENT BUT EQUALLY IMPORTANT LEVELS. WE ARE PROUD TO HAVE HAD MANY CLUBS EXCEL IN THEIR SPORTING DISCIPLINES IN LOCAL, INTERSTATE, AND INTERNATIONAL EVENTS.

At this point, we want to give our thanks to the many people who volunteer their hours for the cause of bettering our clubs. As such, We thank the MUSA Executive for all their hard work over the past year – thank you Geoff, James, Alf, Lisa, Cheryl, Marcus, Bob, Ollie, Nick, Maree, Clement, Tanya and others who chipped in along the way. Thank you also to the dedicated alumni involved on the Blues Advisory Board and Scholarships Committee. We also thank Tim, Rod, Katie, Julie and the team at MU Sport. They continue to promote sport at the University and we look forward to working with them to ensure sporting clubs get the best possible support.

Finally, thank you to the 39 sporting clubs. In particular, thank you to the various club committees that run the on-field and off-field activities of their clubs. You do a sensational job in providing opportunities and experiences for students, staff and alumni. Please keep it up, and we look forward to continuing to work with you. And to all involved in sport at the University of Melbourne – may you continue the outstanding sporting tradition of the University.
