CHAIRMAN'S REPORT

It is with great pleasure I am able to present the 2014 Annual Report and, after almost six years as Chairman of the Board, my last.

My time with the Board has been an exciting period for Sport at the University commencing in 2009 with the development and endorsement of 'The University of Melbourne Strategic Plan for Sport, 2010–2015'. The Plan contained the bold vision to become the leading sporting University in the country for performance, participation and quality of facilities.

During a period of great uncertainty in the higher education sector, Sport at the University has continued to prosper, and this Report highlights and celebrates the many achievements of our student athletes, sporting teams and clubs. The Report also outlines the impressive and growing range of programs that encourage students and staff to engage in regular physical activity. The University is now proudly the leading Group of Eight University for the level of student participation.

This year, the Board and staff have engaged our stakeholders in considering the future challenges and opportunities for Sport at the University in preparation for the next Strategic Plan for Sport. We have achieved much over the last six years but important new themes are emerging about the role sport plays in leadership and also in developing *esprit de corps* across the University community.

Finally, I would like to thank my fellow Board members, MU Sport staff and our dedicated volunteers and coaches for their fantastic efforts in 2014, and also express my appreciation for the continued support of the University Senior Management Group. I have enjoyed my time as Chair of the Board and I can leave confident that Sport is in good hands. I wish the incoming Chair well for the future.

I hope that you find this Report both informative and entertaining.

Geoff Rees
Chairman

DIRECTOR'S REPORT

It is with great pleasure and satisfaction that I reflect on the achievements of Sport, fitness and recreation at the University during 2014. The Annual Report illustrates what was another outstanding year, and I would like to acknowledge the many people and organisations dedicated to improving the opportunities for students at the University. They include:

- Club committees, coaches, and support staff who ensure clubs are viable and successful;
- Sporting alumni who generously support clubs, scholarships and sports capital projects;
- Student athletes, coaches and team managers who represent the University and their country at regional, national and international university sporting competitions;
- Staff and Board at Australian University Sport, and fellow university sporting bodies, who continue to collaborate for the good of the university sport industry despite fierce on-field rivalries;
- Blues Advisory Committee and the Sports Scholarships Committee;
- Cox Architects, builders Kane Constructions and the numerous contractors – in particular, Project Manager Ms Emily Dixon – who did an amazing job in developing the Ernie Cropley Pavilion;

- Property and Campus Services for their support for the development and maintenance of the University's sports and fitness facilities;
- Colleagues across the University, MUSUL and the residential colleges for their collaboration and commitment to improving the student experience;
- Executive Director of Engagement, Mr Adrian Collette, and the University Senior Executive for their continued support and recognition of the contribution that Sport, fitness and recreation makes to the University; and
- Staff at Melbourne University Sport and members of the Board, in particular, the very dedicated Chair Mr Geoff Rees who, alas, will move on in early 2015 after six stellar years in the role.

I would finally like to acknowledge the students and staff at the University who continue to represent the University with pride, supporting our activities in ever-increasing numbers and providing us with important feedback.

RENOVATED ERNIE CROPLEY PAVILION OPENS

**FOUR PREMIERSHIPS FOR MELBOURNE
UNIVERSITY FOOTBALL CLUB**

HIGHLIGHTS

IN A YEAR OF MANY HIGHLIGHTS, THE FOLLOWING ARE SOME OF THE MORE NOTABLE MOMENTS FOR SPORT AT THE UNIVERSITY OF MELBOURNE IN 2014.

GOVERNOR OF VICTORIA OPENS THE ERNIE CROPLEY PAVILION

(L-R) Vice-Chancellor Glyn Davis, Director of Sport Tim Lee, Governor of Victoria the Hon. Alex Chernov AC, QC and Chancellor Elizabeth Alexander AM at the opening of the Ernie Cropley Pavilion.

The University's new sports pavilion – Ernie Cropley Pavilion – officially opened on 15 September 2014 at a ceremony with the Governor of Victoria, the Honourable Alex Chernov AC QC.

The \$6.7 million project received \$1.3 million in philanthropic support including a donor who matched gifts on a dollar-for-dollar basis. Cox Architects, an Australian firm with particular expertise in sports architecture, was responsible for the design.

Affectionately known as 'The Pavvy', this iconic building has been a significant landmark on campus for more than 160 years as the home of football, cricket and baseball. It was last upgraded more than 50 years ago following a fire that razed the entire structure, except for the turret, which has been restored in the new building design.

The Pavilion's new facilities are designed to accommodate the high levels of performance and competition associated with University teams and clubs.

The Pavilion bears the name of Ernie Cropley in recognition of Cropley's services to the University for over 50 years as head curator of the University's grounds and mentor to generations of students.

NATIONAL BENCHMARKING HAS UNIVERSITY OF MELBOURNE LEADING FOR PARTICIPATION

The University's commitment to sport was recognised as part of a new Australia-wide benchmarking study.

The University of South Australia's Centre for Tourism and Management completed the first National University Sport Benchmarking Project. The highest ranking of the Group of Eight Universities for sporting participation was The University of Melbourne for 2013, with 400,000 opportunities for fitness, sport, recreation and club activities offered to students during the year.

Students supporting the Melbourne University team at Varsity Challenge.

UNIVERSITY ATHLETES REPRESENT AUSTRALIA AT THE 2014 SOCHI WINTER OLYMPICS

Elite Athlete Anton Grimus
2014 Winter Olympics Ski Cross
athlete at Sochi, Russia.

Five alumni and students from the University represented Australia at the Sochi Winter Olympics in Russia in February 2014.

Katya Crema, Anton Grimus, Brodie Summers, Mitch Gourley and Cameron Rahles-Rabhula were part of a 56-athlete squad, the largest Australia has sent to a Winter Games.

Anton Grimus is a Masters of Engineering student who competed in ski cross. Brodie Summers is an Environments student who competed in moguls. Mitch Gourley is studying Commerce and competed in all five para-alpine events. Cameron Rhales-Rabula is a Physiotherapy graduate who made Sochi his fourth Winter Olympics. Katya Crema is a Masters of Property student who competed in the ski cross event.

Unfortunately, Rhales-Rabula did not compete in any events at Sochi due to injuries received prior to the Games. He carried the Australian flag during the Paralympic opening ceremony.

AUSTRALIAN BOAT RACE

The Womens Eight crew from the University claimed their sixth consecutive Australian Boat Race title, comprehensively out-rowing the University of Sydney on Sydney Harbour on 26 October 2014.

Lead by Captain Jennifer Cleary, the Womens Eight got off to a strong start and were never headed as they rowed into Darling Harbour a full 28 seconds in front of their rivals to claim the Bella Guerin Trophy.

In the second race of the morning, the University of Sydney won the Mens Eight race by under 10 seconds to reclaim the Edmund Barton Trophy.

Since head-to-head competition between the two universities resumed in 2009, the overall tally stands at 6–0 in Melbourne's favour for the Womens Eight and 4–2 in Sydney's favour for the Mens Eight.

The Womens Eight crew
win their fifth consecutive
Australian Boat Race.

The Melbourne University Basketball team celebrate their Varsity Challenge victory over Monash.

INAUGURAL VARSITY CHALLENGE

The Varsity Challenge was held for the first time in April, allowing students from the two top sporting universities in Victoria – The University of Melbourne and Monash University – the chance to compete against each other.

The two-day sporting fest held across Melbourne's Parkville and Monash's Clayton campuses proved to be a success for athletes and spectators alike.

The final scorecard favoured the hosts on each day: Melbourne won three of four events on day one, claiming victories in Womens Hockey, Womens AFL and Mens Basketball. On day two at Monash, the hosts again took the lead with wins in Womens Soccer, Mens Soccer, Ultimate Frisbee and, for the overall title, Womens Basketball.

RECORD-BREAKING YEAR FOR UNIVERSITY FOOTBALL

The Melbourne University Football Club has achieved one of its most successful years ever, winning four premierships in 2014.

The University Blacks won the premiership in the Premier and Premier Reserve divisions defeating the Old Collegians and Old Xaverians in their respective grand finals (13.12.90 d. 7.4.46 and 9.9.63 d. 7.11.53). The Blacks had not won a premiership in the highest division since 1974.

The University Blues mirrored the Blacks' efforts in the Premier B divisions, winning in both the Premier B and Premier B Reserve competitions against Old Carey (20.22.142 d. 10.7.67) and St Kevin's (13.7.85 d. 7.8.50) respectively.

The Blues team has now moved up to the Premier Division alongside the Blacks team.

The University Blacks Senior team wins the VAFA Division 1 Premiership.

MELBOURNE UNIVERSITY LIGHTNING CLUB FORMED

The University of Melbourne has joined the Victorian Netball League (VNL) from season 2015, after signing on as Principal Partner of the Western Lightning Netball Club.

To be known as Melbourne University Lightning, the Club will field 19 and under, Division 1, and championship teams until at least 2018 in Victoria's premier netball competition. The University's Parkville campus will also become the Club's home base.

Teams competing as part of the existing Melbourne University Netball Club will continue with the prospect of a more direct pathway into elite netball now available to them.

The VNL is a 10-team league and an important part of Netball Victoria's Identification Development Program, providing pathways for developing netballers into the ANZ Championships and Australian Netball League. This partnership with the VNL signifies the University's commitment to supporting elite athletes as they undertake their studies while pursuing a sporting career.

Mascots from Melbourne University colleges participate in Big Play Day (L-R): Whitley College, International House, St Hilda's College, Queen's and University College.

ORIENTATION AND BIG PLAY DAY

Semester 1 and 2 Orientation and MU Sport's new participation initiative, Big Play Day, provided over 11,000 engagement opportunities for students to speak directly to staff and participate in MU Sport activities.

MU Sport maintained a strong presence at both Semester 1 and 2 Orientations, participating in the Student Services and Clubs and Societies days to inform new

students about fitness, sporting and recreation opportunities at the University. An additional Clubs day gave MU Sport further opportunity to encourage new members to join University sporting, recreational and instructional clubs.

The inaugural Big Play Day (BPD) was held on Thursday 13 March – a half-day of free music, food and fitness and sporting activities. Working with sporting partners such as Cricket Victoria, Oz Pitch Softball, Touch Victoria, Cardio Tennis and sporting volunteers from FC11, more than 500 students and staff participated in 12 different fitness and sporting activities across the University Sporting Precinct.

Highlights of the day included the College Mascot Race through the Olympic Obstacle Inflatable Course, which involved mascots from Whitley, International House, St Hilda's, Queen's and University College (the Panda from International House narrowly won).

Participants were given the chance to race against student Olympians Phoebe Stanley (Australian Rowing Team) and Brodie Summers (Australian Skiing Team). Group fitness classes, Mega Zumba and '80s Dance held on the Rawlinson track were also well attended.

RUGBY YOUNG ACHIEVER AWARD

(L-R) Director of Sport Tim Lee with Rugby Young Achiever Finalists Robert Renzella, Sione Tuipulotu (winner) and Rhys Griffiths (represented by his father).

Australian junior representative Sione Tuipulotu was named the winner of the 2014 University of Melbourne Rugby Young Achiever Award at the Weary Dunlop Luncheon at Crown Palladium on Thursday 16 October 2014.

The star number 12 for St Kevin's College helped lead the team to a third consecutive Victorian Secondary Schools Rugby Union Division 1 Championship. Tuipulotu is also a member of the Melbourne Rebels U17 squad, the Victorian Schools U18 team and the Australian Schoolboys team that toured New Zealand.

Presented at the Melbourne Rebels' Weary Dunlop Club Luncheon, the award is open to school rugby players across the state who exemplify the attributes Sir Edward 'Weary' Dunlop made famous: leadership, academic endeavour and sporting excellence.

Now in its fourth year, the \$7,000 award will provide Sione with an academic scholarship, a rugby scholarship and in-kind support from the Melbourne University Sport's Elite Athlete Program.

ALEX ROWE EQUALS 46 YEAR-OLD AUSTRALIAN RECORD

Elite Athlete Alex Rowe.

Biomedicine student Alex Rowe had an outstanding 2014 on the athletics track, equalling alumnus and Olympian Ralph Doubell's 46 year-old 800m Australian Record.

Both Doubell and Rowe ran 1.44:40, with Rowe recording his time in Monaco on Friday 18 July.

While this qualified him to compete in the 2014 Commonwealth Games, Rowe suffered a hamstring injury that prevented him from representing Australia. However, his experience in making the team will undoubtedly assist him in continuing his athletic career.

DYLAN ALCOTT WINS BRITISH OPEN

Commerce student Dylan Alcott triumphed at the British Open, winning the Wheelchair Quad Tennis Singles title in Nottingham, United Kingdom, in July.

Alcott defeated local favourite, UK number three seed Andy Lapthorne in the final (7-5 6-1).

Alcott previously competed in wheelchair basketball, winning gold at the 2008 Beijing Paralympics, a feat that earned him a medal

of the Order of Australia. He now ranks among the world's best quadriplegic tennis players and has his sights set on a career in tennis.

Alcott also conducted fundraising for the Starlight Foundation and Variety, undertaking a 24-hour tennis marathon with the aim of raising \$100,000 for these charities.

FORTIETH ANNIVERSARY OF AUSTRALIA'S FIRST WORLD ROWING CHAMPIONSHIP GOLD MEDAL

(L-R) Coach Peter Philp with alumni rowers Campbell Johnston, Andrew Michelmores, Geoff Rees, and Colin Smith.

On 8 September 1974 in Lucerne, Switzerland, the Melbourne University Boat Club Lightweight Four became the first Australian crew to win gold at the World Rowing Championships.

The boat was crewed by Campbell Johnston, Andrew Michelmores, Geoff Rees and Colin Smith.

All of the crew members have remained close friends and are still actively involved with the University. Mr Michelmores has been the Chair of Ormond College Council for the past 12 years and Mr Rees is the Chair of the Melbourne University Sport Board.

GILLON MCLACHLAN NAMED AFL CEO

Alumnus and long-time supporter of University football, Gillon McLachlan was appointed head of the AFL in April 2014.

McLachlan completed a Bachelor of Laws (Hons) at the University and lived at Trinity College with his future wife, Laura. He played for the University Blues until 2003, functioning as the team's captain from 2000 to 2002, and winning Best and Fairest in 2000.

McLachlan continues to be a regular attendee at Blues games and functions, a sign of his passion and support for football at the University. Upon retirement, he was appointed a life member of the Blues in recognition of his contributions to the Club for nearly a decade.

RICHARD TELFORD INDUCTED INTO SPORTS AUSTRALIA HALL OF FAME

Alumnus Richard Telford inducted into Sports Australia Hall of Fame.

Alumnus and sports scientist Richard Telford has been inducted into the Sports Australia Hall of Fame for his contribution to Australian sport and research.

Telford completed a PhD in Cardiovascular Research at the University in 1979 and went on to become the first sports scientist at the Australian Institute of Sport.

While at the University, Telford was a member of the University Cricket team and helped coach the Victorian Cricket team.

820,000 TOTAL VISITS IN 2014

101,059 AQUATICS VISITS

24% INCREASE TO FITNESS
AND AQUATICS VISITS

PARTICIPATION

Students enjoying Big Play Day.

PARTICIPATION

In 2014, there was over 820,000 participation opportunities for sport, fitness or recreational activity offered to students, alumni, staff and community members, up from 684,219 in 2013 – an increase of almost 20%.

18,000 students are regular users of the sport, recreation and instructional facilities and programs.

Gridiron plus 40 other sporting clubs recruit new members during Orientation.

Team Melbourne participants after finishing the Melbourne Marathon.

COLLEGE SPORT

Trinity College (white jersey) vs St. Hilda's College (green jersey) competing in college AFL.

College Sport provides residents of the University's affiliated colleges with representative opportunities across 24 sporting competitions, some dating back more than 130 years.

College Sport competitions run during the academic year from March to September.

Ormond College backed up a dominant 2013 with another strong sporting year, winning 10 College Sport titles. Trinity was next best with six titles. St. Hilda's and International House also took a share of the spoils with two titles apiece.

Of the many highlights throughout the year, notable results included:

- Ormond College once again owning the Yarra River by securing all four wins in the Rowing Regatta
- Whitley College winning their third straight Second VII Netball Competition

- International House Mens team winning both Second XVIII Football and Second XI Cricket
- Large crowds of 700-plus supporters turning out in their college colours for marquee night finals in hockey and netball to cheer on their respective colleges

Trinity College was awarded the Tickner Cup for Overall Place (weighting) relative to the number of college residents. This was supported by their overall win in the Cowan Cup for Mens points, where they narrowly defeated Ormond College who were victorious in the Holmes Shield for Womens points.

College Sport continued to provide some 9,000 game opportunities for residents to participate in throughout the year with many sporting finals (including netball, hockey and football), carnivals and the Regatta drawing vocal crowds in excess of 700 spectators.

Ormond College
student supporters.

CAMPUS SPORT

Campus Sport provides opportunities for students and staff to compete socially in a fun, lunchtime sporting program.

Competitions were held in both Semester 1 and Semester 2 during the year. The sports from previous years remained as favourites, with the competitions of Mens and Mixed Futsal, and Mixed Netball, claiming the most participants.

Overall, the competition exceeded 2013 participation numbers reaching 7,488 opportunities (up from 6,460 in 2013 and 6,360 in 2012) due to an extra futsal competition taking place in Semester 1, helping the program reach its target for participation growth.

Futsal continued to be the most popular Campus Sport program with six separate competitions taking place across the year and 300 weekly participants in both semesters.

2014 CAMPUS SPORT CHAMPIONS

SPORT	SEMESTER 1	TEAMS	SEMESTER 2	TEAMS
Mens Futsal (Tuesday)	Elise Westphalen	12	Alice Timbrell	12

Mixed Netball (Wednesday)	Muffin Stuffers	4	The 1995-96 Chicago Bulls	6

COMMUNITY SPORT

Community Sport offers social sporting competitions for participants from both the University and wider community. Competitions are held after hours and on weekends.

Tin Alley Netball and Volleyball

Tin Alley Netball was held during Semester 1 and 2 on Wednesday nights. The Semester 1 Autumn competition filled to capacity with 25 teams competing. A further 22 teams took part in the Semester 2 Spring competition.

Tin Alley Volleyball, which only began in 2013, gradually grew across the year with three competitions and the registration of 21 teams.

The addition of Tin Alley Volleyball in the program has seen game opportunities for the Community Sport program increase to 5,856 in 2014 (up from 4,896 in 2012 and 5,458 in 2013).

Community sport offers a chance for social sporting competitions throughout the year.

Team Melbourne

Team Melbourne is staff, students and alumni participating in community sporting events, including Run for the Kids, Mother’s Day Classic, Melbourne Marathon and Around the Bay.

Team Melbourne provided opportunities for 410 participants to compete and represent the University. MU Sport provided a University of Melbourne singlet to participants and offered support in the form of recovery food, energy drinks and massage.

TEAM MELBOURNE PARTICIPATION

EVENT	DATE	PARTICIPANTS
Run for the Kids	13 April	97
Mothers’ Day Classic	11 May	110
Melbourne Marathon	12 October	173
Around The Bay	19 October	30

Campus Sport is a chance to participate in casual competitions.

Casual Facility Visits

Students, staff and the community can use sport facilities on a casual basis. The facilities include tennis, squash, badminton, basketball, netball and volleyball courts, as well as an athletics track and hockey pitch.

Participation across our venue hire facilities grew by 8% with the successful launch of student programs such as Quick Hit for squash, tennis and badminton, as well as the success of the Pavilion function space and increased demand for the Ski Lodge at Mt Buller. Overall, casual facility student visits increased by 4,586 compared to the previous year.

Ski Lodge

The University of Melbourne Ski Lodge is located on Mt Buller in the heart of the alpine village. The lodge is available for students, staff, alumni and community members, and has 40 beds spread over 10 bedrooms in dorm-style accommodation.

The excellent conditions in 2014 allowed for an extension of the snow season and the lodge was running at capacity right throughout the winter months. This led to an increase in patronage within our Alpine lodge of 5.3% over 2013.

SKI LODGE OCCUPANCY

The University of Melbourne Ski Lodge at Mt Buller.

FITNESS SERVICES

A range of fitness opportunities are provided for students, staff, alumni and the community across three sites: the Sports Centre, the Beaurepaire Centre and Lincoln Square Fitness.

Fitness Services includes aquatics, strength and fitness gyms, and group fitness programs.

The Beaurepaire Gym new cardio machines.

Membership

Members have unlimited access to all three fitness facilities on campus, including pool access and the group fitness program.

Special rates are offered to all University of Melbourne students, which is intended to provide students with options for improving their health and fitness while studying.

During the peak period of the academic year in 2014, students accounted for over 71% (up from 69% in previous years), while staff and alumni accounted for 19%, and the remaining

balance was made up of community members. While the distribution of members has remained relatively stable since 2012, there has been an overall increase in membership numbers at peak times.

In 2014, almost 2,000 new users completed an introductory session, compared to 775 in 2013. Free monthly training programs during non-peak periods were also introduced and proved popular.

MEMBERSHIP PARTICIPATION

Fitness

The Beaurepaire Centre and Lincoln Square Fitness have a broad range of strength and fitness equipment with fitness instructors on-hand to provide specific training programs and guidance for all users.

Equipment ranges from electronic cardio equipment to pin-loaded and free weights strength equipment, as well as a variety of equipment used for functional fitness such as kettle bells, TRX bands, rings and straps.

Overall fitness participation figures increased significantly in 2014 with 296,665 total visits to the fitness facilities compared to 243,528 in 2013, representing an increase of over 20%.

The participation numbers at the Beaurepaire Centre increased in 2014 with an overall increase of approximately 40,880 visits across the year. Lincoln Square Fitness (LSF) also enjoyed an increase in participation figures

of 2,257 across the year during its second full year of operation. LSF welcomed 35,903 visits in 2014 accounting for 14% of the total fitness centre visits across both sites.

The current trend towards functional fitness training and High Intensity Interval Training (HIIT) continued, with many members undertaking kettlebell, ergo and barbell training. As such, a new functional training area was developed in the Beaurepaire Centre.

\$150,000 worth of new cardio equipment was purchased in 2014 including 12 treadmills, 11 elliptical cross trainers, one stepmill, four airbikes, five spin bikes, one ski ergometer and four rowers.

FITNESS PARTICIPATION

Aquatics

The Beaurepaire Pool is ideally suited to lap swimming and offers lessons for school-aged and adult swimmers of all abilities by a team of AUSTSWIM qualified teachers and Australian Swimming Coaches and Teachers Association (ASCTA) accredited coaches.

Aquatics visits at the Beaurepaire Centre increased from 70,000 to 101,059. This increase can be partly attributed to improved methods of data collection, due to the use of infrared technology for logging visits to the pool by both swimmers and spectators.

AQUATICS PARTICIPATION

The Beaurepaire Centre Pool.

Group Fitness

Group Fitness programs consist of a variety of exercise classes set to music and led by qualified fitness professionals.

Classes cater for all levels of fitness and include Les Mills pre-choreographed classes such as BodyPump, BodyAttack, BodyStep and BodyBalance, alongside classes as diverse as Zumba and Pilates. Classes attract both female and male participants, and class participation numbers can vary from 5 to 50.

The Group Fitness program in 2014 continued to maintain excellent participation numbers. Overall, attendance increased by just under 5% from 2013.

Group Fitness attendance at Lincoln Square benefited from its first full year of programming with 22% growth – over 3,215 extra visits and 217 extra classes added to the timetable. A factor influencing the number of visits to the Sports Centre was the cancellation of a number of classes due to the hot weather policy in January and February.

The Group Fitness Program at the Sports Centre attracted 48,487 visits, averaging just over 20.70 people per class, while Lincoln Square Fitness received over 11,278 visits with a class average of 14.04 participants per class. The overall class visits in 2014 grew to 59,765 participants compared to 57,124 in 2013.

The strongest classes were BodyPump (14,818), BodyAttack (8,653), Yoga (8,164) and Pilates (6,203). BodyAttack increased in popularity while the BodyStep class was slightly less popular. Classes such as Zumba,

Fitness members enjoying a group fitness class.

'80s Footloose'n'Fit, Cardio Box and Fitball continued to draw loyal and regular followers along with new participants.

Dance-based classes continued to attract a strong following, which led to the '80s Footloose'n'Fit class being added to the timetable. This high-energy, fun class incorporates themes from the 1980s – the moves, the music and even the outfits!

Another new addition to the Group Fitness timetable was Bootfit, which replaced the Bootcamp class that was offered as a separate program but is now incorporated into the Group Fitness timetable.

Free Friday classes were conducted across the semesters providing members and visitors with an excellent opportunity to participate and experiment with new classes.

GROUP FITNESS PARTICIPATION

Sporting Clubs Participation

41 sporting clubs offer a range of competitive, instructional and recreational opportunities to participate in sporting activity.

In 2014, there were 7,574 active club members offering over 225,568 participant opportunities.

Specific details for each club can be found from page 36.

Representative Sport

Students represent the University in a range of competition varying from local to state and national competitions.

In 2014, 1,394 students represented the University in official intervarsity competition.

For further details on representative sport, see page 20.

PERFORMANCE

222 ELITE ATHLETES

10 AUSTRALIAN
UNIVERSITY
CHAMPIONSHIPS

5 WINTER OLYMPIANS

Student athlete Kevin Rassool competes at the Australian University Games in Sydney.

PERFORMANCE

Students have the opportunity to represent the university of Melbourne in the Australian university games and a series of standalone Australian University Championships. Australian University Sport is the governing body for Australian Sport and provides a range of opportunities for students to participate in intervarsity competition, including the Australian University Games.

The University won 10 Division One Australian University Championships:

- Mens Australian Rules Football
- Mens Badminton
- Womens Badminton
- Mens Cycling
- Womens Fencing
- Womens Golf
- Ultimate Frisbee
- Mens Distance Running
- Womens Orienteering
- Womens Snow Sports

Melbourne finished runner-up in the Australian University Sport Overall University Championship to the University of Sydney.

Elite Athlete Stella Radford racing in the steeplechase.

VARSITY CHALLENGE

The traditional rivalry between Melbourne and Monash University reached a new level with head-to-head sporting competitions played in nine sports over two days on both campuses.

Melbourne won three of four competitions at Parkville in week one of the Challenge (Womens Australian Rules Football, Mens Basketball and Womens Hockey) but couldn't sustain their success on the away leg in week two, winning only the Mens Australian Rules Football match.

VARSITY CHALLENGE RESULTS

Students competing in Touch football at the 2014 Australian University Games.

2014 Blues recipients at the Blues Awards Ceremony.

BLUES AND SPORTS AWARDS

The University awards Blues to student sportsmen and women for outstanding sporting performance at the Australian University Games and Championships.

A Blue is an award earned by individuals competing for the University of Melbourne at the highest level. The outstanding year of sport was celebrated in late November with a presentation and reception in the Copeland Theatre, at which 61 Full and 62 Half Blues were presented.

University Sport Team of the Year Australian Rules Football

University Sport Female Athlete of the Year Hayley Baker (Swimming)

University Sport Male Athlete of the Year Anton Grimus (Snow Sports)

Snow Sports	8 (5 full)
Other sports	11 (29 full)

Distinguished Service Award

Dr Geoffrey Vaughan (L) presenting James Stewart (R) his Distinguished Service Award.

A Distinguished Service Award was presented to James Stewart (Hockey Club) for outstanding contributions to University Sport over many years.

James first joined the Hockey Club while a student in 2003. He has been a member of the Club's Committee since 2008, Vice President from 2012-13 and President in 2014, having also filled a number of other critical roles throughout his time at the Club.

James has also been extensively involved in the Melbourne University Sports Association. He was elected to the Executive in 2010 where he remains Vice President.

Elite Athlete Program

The Elite Athlete Program (EAP) supports student athletes enrolled at the University of Melbourne.

The Elite Athlete Program includes elite athlete entry scheme assistance (ATAR Adjustment for recognised elite athletes), sport scholarships (financial and in-kind support) and elite athlete recognition (flexible study assistance for recognised elite athletes).

The EAP supported 222 student athletes and 75 club members in 2014. This support included MU Sport facility access (aquatic, fitness and other training environments), Australian University Championship and Games subsidies to represent the University, physiotherapy services, financial scholarships, and international travel grants for students representing their country and/or university at an international level.

Of the student athletes, 95 students were recognised as elite athletes (state/national representatives and/or squad/league members) under the University's Elite Athlete and Performers Policy.

Male athletes accounted for 131 (59%) supported places, while female student-athletes accounted for 91 places (41%).

Elite Athlete Leah Tausan, member of the champion Australian University Games Fencing team.

Sixty supported student athletes were from the Faculty of Science, while Business and Economics and Arts contributed 38 and 26 students respectively.

Netball was the best supported sport with 49 athletes/club members (including three Australian representative players). Australian Rules Football, rowing and basketball had 28, 23 and 21 athletes supported by the Elite Athlete Program respectively.

Forty nine student athletes were national representatives across 25 different sports in 2014. Skiing was the dominant sport with

eight students competing in international events including the Winter Olympics and Paralympics, World University Games, World Championships and World Cups in the disciplines of alpine skiing, cross country skiing, freestyle skiing (skier-cross and moguls) and snowboarding.

There were also seven students competing in international rowing regattas including world cups, world championships and elite invitational club regattas.

The different scholarships of the Elite Athlete Program are detailed below (refer to each scholarship's corresponding icon in the Outstanding Individual Results table for information about recipients in 2014, page 28).

High Performance Scholarships

High Performance scholarships of up to \$2,000 are generally awarded to the University's elite student athletes who have been senior, national representatives in Olympic, Commonwealth and/or International University Sports Federation (FISU) sports.

Friends of the Sports Association Scholarships

Friends of the Sports Association scholarships of up to \$1,000 are awarded to national age level and/or state level representatives who are also members of affiliated Melbourne University sporting clubs (and may also include non-members where a sport is not represented by an affiliated club).

Club Scholarships

Club Scholarships are awarded on behalf of Melbourne University sporting clubs to student athletes who compete at the highest level of club competition available to them. These scholarships range from club fee waivers to \$2,500. This support facilitates the growth of student athlete participation in Melbourne University sporting clubs.

Winged Victory University Sport Scholarships

Winged Victory University Sport scholarships provide subsidies of up to \$1,000 to elite and emerging student athletes competing at state level and above (who are also usually a member of a Melbourne University club) for the purposes of benefiting the University's Australian University Games or Championship teams.

ScholarFit Membership

ScholarFit memberships are awarded to student athletes competing at regional level and above (and usually for a Melbourne University club). This membership provides access to the University's aquatic and fitness facilities.

International Travel Grants

International travel grants of up to \$1,000 are awarded to a limited number of elite student athletes who have been selected to represent their country in recognised international events. Grant funding is made available by the University's Cultural and Community Relations Advisory Group (CCRAG).

The Melbourne University Football Club
claimed four premierships in the 2014 season.

SPORTING CLUBS

THE SPORTING CLUBS PROVIDE SPORTING, RECREATIONAL AND INSTRUCTIONAL OPPORTUNITIES FOR STUDENTS, STAFF AND ALUMNI. THE FOLLOWING INFORMATION OUTLINES THE CLUBS HIGHLIGHTS FOR 2014. CLUBS ARE LISTED IN ALPHABETICAL ORDER.

Competitive Clubs

ATHLETICS

Established 1890

Melbourne University Athletics Club fielded teams in the elite division in 2014 in all Athletics Victoria competitions, consistently finishing in the top four.

The highlight of 2014 was second place for the Premier Division Men in the XCR competition. Stella Radford and Joel Baden were the zenith of the Club's individual performances with further international representation beckoning. The Club also recorded its sixth year in a row of membership growth.

In 2015, the Club will celebrate its 125th anniversary.

BASEBALL

Established 1926

The Melbourne University Baseball Club was competitive across all teams with the B Reserve team crowned back-to-back champions.

With the probable implementation of the East-West Link, the Club's playing grounds have been temporarily relocated to Essendon Baseball Club. It has been disappointing to lose the Club's home for the past 40 seasons; however, the negotiated deal is considered very successful and the Club is looking forward to season 2015.

BASKETBALL

Established 1954

Melbourne University Basketball Club had a solid year in 2014. The Club obtained a new Womens Division 2 head coach and continued to participate in the Division 1 Mens Big V competition. Over 20 teams participated in domestic competitions and regional tournaments.

The Club commemorated the passing of ex-member James Rapley, holding a memorial round during a Big V home game with proceeds donated to a Whitley College scholarship. Bernie Thompson received the John Bayliss Award, the Club's highest honour.

In 2015, the Club will have a new Mens Division 1 head coach and will continue to hold an annual charity round during a Big V home game.

BOAT

Established 1859

The Melbourne University Boat Club continued its success at club, state, national and international levels.

Domestically, the Club had great success, highlighted by topping the National Championships medal table for the seventh time in eight years. The haul of 31 medals was the greatest ever by the Club.

Internationally, the Club had crews racing at several world-renown regattas, including the Henley Royal Regatta, UK, and Head of the Charles, USA, in addition to our elite rowers representing their country at the U19, U23 & Senior World Championships.

CRICKET

Established 1856

Melbourne University Cricket Club had a difficult year on the field in season 2013-2014, and will be looking to rectify their results in the upcoming season.

Off the field, major events included the Business Breakfast, attracting over 350 people. Guest speakers included the Australian Cricket Coach, Darren Lehmann, and the CEO of Cricket Australia, James Sutherland. Eleven of the University's finest cricketers were also inducted into the Cricket Club Hall of Fame at a gala function in November.

FENCING

Established 1946

The Melbourne University Fencing Club had another successful development year in 2014.

Member retention rates are now at an all-time high. The intermediate class proved to be a successful transition for newcomers to the sport to continue their progression after the introductory course. This, in combination with dedicated footwork training classes, has resulted in members gaining more confidence to participate in advanced state-based training sessions and competitions.

FOOTBALL (MEN)

Established 1859

The 2014 season was a fine one for the Melbourne University Football Club. The results speak for themselves with nine teams, seven finalists, six grand finals and four premierships.

The state-of-the-art pavilion lifted all associated with the Club, and the players and officials made full use of the excellent facilities with the Blacks and Blues having a number of well-supported luncheons. The vastly improved quality of the surface of the oval was also a major contributor to the 2014 result.

With sustained participation, official and supporter levels, and the Blues and Blacks comprising one-fifth of the VAFA Premier Division, the Club is riding high and looking forward to 2015.

FOOTBALL (WOMEN)

Established 1997

The Melbourne University Womens Football Club had two key milestones in 2014. Firstly, the Junior Melbourne University Womens Football team celebrated its ten-year anniversary, having engaged over 150 young women in that time. The Club was also very pleased to field three full senior teams and a youth girls team playing in the Victorian Womens Football League for the first time in history.

Eight players participated in the second annual Womens AFL exhibition match between the Western Bulldogs and Melbourne Football Club.

FUTSAL

Established 2007

Melbourne University Futsal Club had a successful 2014.

The Friday Night League competition was held on the University's hockey pitch and accommodated over 240 members. The Womens Division 1 team was promoted and now competes in the Womens State League finishing a credible fourth.

The Mens team was promoted from Division 1 and played in the State League Two.

GRIDIRON

Established 2013

The Melbourne University Gridiron Club experienced further growth in the 2014 season with the promotion of the Firsts team to Division 1 and the establishment of the Seconds team in Division 2.

The Club also continued to operate a Womens team and established a Juniors program. As a result, we are the first Club in Victoria to successfully offer four teams in the one season.

The Mens team competed valiantly against the incumbent Seniors team, and placed ninth. The Club also had 11 players invited to the Gridiron Victoria State team.

President

Bryce Cilia

Secretary

Haley Fleming

Treasurer

HOCKEY

Established 1907

The Club had another successful season in 2014. From 19 teams, 10 played finals, five made grand finals and two won premierships, with the Club also retaining the Fin McNab Cup and Chancellors' Cup.

Particularly pleasing was the second-year consolidation of the Womens Masters team, which included playing home matches at the University. The Mens and Womens top squads introduced some exciting new players and saw continued development from existing talent.

Off-field activities included after-training cook-ups, canteen service on some game days, the arrival of couches and a noticeboard, and hosting functions – including watching the Kookaburras win the World Cup.

LACROSSE

Established 1883

The Melbourne University Lacrosse Club undertook an enthusiastic recruitment drive to encourage new participants to the sport. This was achieved through an active promotion and communication effort building on exposure at O-Week Clubs days.

The promotion effort saw record high numbers of participants come along to the first few training sessions, with over 70 new people attending. There was also a committee restructure, with clearly defined roles and expectations for each office bearer.

NETBALL

Established 1990

The Netball Club had a successful year in 2014. The majority of the Premier Division teams and the higher grade A-Grade teams reached the finals in both seasons during year. This achievement reflects the hard work of both players and coaching staff. A highlight was the premiership win by MUNC 6 in the A Open Grade and MUNC 4 Runners-Up.

Off the court, it was also a very busy year with the club holding its first ever Presentation Night. Players who had reached 200 and 150-game milestones were recognised and rewarded for their hard work and loyalty. The Club plans on holding this event on a yearly basis.

A new committee has recently been elected and the Club looks forward to a successful 2015 season.

RUGBY

Established 1909

The Melbourne University Rugby Club improved in various areas in 2014; notably, the increase in participation across 15-a-side Rugby Union as well as the newly formed 7-a-side competition.

The Club's ability to compete at Premier First Grade level was pleasing with early wins against some top opposition. The Under 20 Colts program is the benchmark of the competition, with Melbourne University competing in its fourth appearance in a grand final in the past six years. The Club's deployment of a rugby team to the Sydney University Games was also a milestone given the previous season lacked sufficient numbers to field a squad.

Over 10 players represented the Club at state and/or national levels, as well as Club officials being recognised and taking on representative administrative roles with the Melbourne Rebels. The season also saw links with the Rebels and the University solidify with a number of networking and business events bringing together a wealth of knowledge and value to both organisations.

The Young Achiever Program continues to go from strength to strength and, with our University partnership, will once again be the flagship program for our Club in assisting the promotion of sporting and education pathways in 2015.

VOLLEYBALL

Established 1958

The Volleyball Club introduced new blood into its administration with the main challenge being the education of new committee members to the rigours of sport administration.

Off-court performance and operations continued to deliver many positive results during the year. On-court performance saw the Uni Blues women win back-to-back gold medals and finals appearances for a number of teams with the Mens Premier team finishing a respectable third. Other results included great performances by

the Division 2 Mens teams with the Womens teams unfortunately falling short of any finals appearances.

The Club's junior girls' development and social programs are steadily increasing in numbers as a direct result of improved communications and promotion. The junior boys' program continues to deliver a strong recruitment base of boys.

In conclusion, the Club continues to provide members with a range of volleyball services and experiences that keeps them coming back for more.

WEIGHTLIFTING AND POWERLIFTING

Established 1950

The Weightlifting Club had another successful year in 2014 with a number of Club members again smashing Australian and World records. Many members competed at the International Powerlifting Federation Classic World Championships and the Australian Raw Powerlifting Championships.

Other highlights for the year included the purchase of new powerlifting bars, weightlifting jerk blocks and weightlifting collars for the Heavy Weights Room. The Club also received a uniform grant from the Minister of Sport and Recreation to purchase more competition uniforms for members.

The Club also conducted a thank you lunch and working bee for volunteers at the major Melbourne powerlifting events.

Instructional Clubs

AIKIDO

Established 1966

The Aikido Club's key areas of development have been increasing awareness of the martial art, gathering more members and offering a well-equipped training dojo to accommodate all skill levels. We have been privileged to draw from the extensive teaching experience of a fifth dan instructor.

Areas of improvement in 2014 included extending awareness to the general public in addition to our traditional student population. Major events and milestones included six successful gradings, the majority of which were new to martial arts, and attending major national aikido events such as summer and winter school, as well as special training events at Clifton Hill dojo.

KARATE

Established 1968

The Melbourne University Karate Club had an extremely successful year in 2014. Club membership increased by 34% from the previous year and revenue increased by 39%.

The Lion Bushido Tournament recorded the largest member attendance in the Club's history. In April, the Club was also invited to perform a demonstration at St Mary's College.

KENDO

Established 1989

The Melbourne University Kendo Club marked its 25th anniversary in 2014; an achievement the Club celebrated and took as an opportunity to renew focus.

The renewed spirit was reflected in the success of many of the competitions across the year. In the annual Taikai tournament, members occupied the majority of the medal spots in every division. This form continued to the Victorian Kendo Championships where Club members won first place in three out of four individual categories, as well as one second place and two first place winners in the Team category.

The Club hopes to maintain this form in future years.

TAEKWONDO

Established 1971

The Melbourne University Taekwondo Club had significant areas of development and improvement in 2014. This included an increase in Club member participation in more local and regional competitions (WTF), pursuing an upgrade of equipment, and enhancing activities and opportunities for Club members to engage with the local community.

The Club (Rhee) engaged with a charity organisation to have members volunteer their time with the homeless community around Melbourne University on a monthly basis. Major events across 2014 included successfully collaborating with other university taekwondo clubs to host inter-training, inter-university competitions and social events, while facilitating a positive training and social environment for Club members.

MOUNTAINEERING

Established 1944

The Melbourne University Mountaineering Club marked its 70th Anniversary in 2014 with a dinner and over 180 past and present members in attendance. The celebration included an open house tour of the Mountaineering Club rooms and a formal dinner. Recollections of adventures provided inspiration for current members in years to come.

The Club continued to thrive with an expanding membership base and clubroom facilities were upgraded with the fit-out of gear stores and construction of a much-used bouldering wall. Throughout the year, the Club provided over 140 trips for members.

SKI

Established 1929

The main area of growth for the Melbourne University Ski Club was through ski hire. Additional equipment was purchased to ensure skis were supplied up to industry standards and to cope with increasing demand. Revenue produced through equipment hire was able to offset the purchases of new gear in a single season.

The ski hire project proved to be a valuable asset to the Club and has grown to the extent where it is able to provide the Club with an extra source of revenue while also funding its own running costs.

UNDERWATER

Established 1977

The Melbourne University Underwater Club had an extremely active year. With the support of Melbourne University Sport, the Club became a PADI Educational Facility, appearing in the Undersea Journal and PADI's official magazine.

The Club offered several courses throughout the year, attracting many new members and providing an internationally recognised Emergency First Response course. The Club also signed up four Divemaster candidates with one Club member becoming a PADI Master Scuba Diver.

The Club participated in a joint venture with La Trobe University Underwater Club to Phillip Island, the Brighton Pier Clean Up organised by Clean Up Our Waters, and the Great Victorian Fish Count.

WATERSKI AND WAKEBOARD

Established 1965

The Melbourne University Waterski and Wakeboard membership and rider opportunities reach an all-time high in 2014. Multiple large-scale training camps took place, allowing riders of all stages to develop higher level skills, with members competing in several Wakeboarding Victoria competitions.

A highlight was the New Members Camp with 60 attendees and two boats running continuously. The Club currently has its highest number of qualified boat drivers, marshals and coaches, with training and development available to all members.

2014 was the Club's largest and most active season in history. The summer of 2015 will welcome the Club's 50th season, as well as the arrival of a new boat.

FINANCIAL AND PHYSICAL RESOURCES

GYM EQUIPMENT UPGRADE

ERNIE CROPLEY PAVILION COMPLETED

The Ernie Cropley Pavilion.

PHYSICAL RESOURCES

THE UNIVERSITY HAS A RANGE OF SPORTING FACILITIES AT THE PARKVILLE CAMPUS' SPORTS PRECINCT. OTHER FACILITIES INCLUDE LINCOLN SQUARE FITNESS, THE SKI LODGE AT MT BULLER, BOAT HOUSE ON THE YARRA RIVER AND THE MOUNTAINEERING HUT AT MT FEATHERTOP.

FACILITIES

Pavilion

The redevelopment of the Ernie Cropley Pavilion has been the most significant project since the renovation of the Beaurepaire Centre in 2004.

Works commenced on the Cox Architects-designed Pavilion in January 2013 with the demolition of the eastern end. During a construction period spanning 15 months, the Cricket and Football clubs were housed in temporary sheds on the southeast side of the Oval. The Clubs displayed great patience during this disruption.

Kane Constructions (builders) delivered the Ernie Cropley Pavilion to the University on 18 April 2014. The iconic and heritage-listed 1906 turret and social room was retained and restored as part of the project, which also included a new basement level, player and team amenities and storage areas, as well as a new function room, commercial kitchen, bar and visitor amenities.

Sports Centre club spaces viewed from the historic Rawlinson track at the Sports Precinct, Parkville campus.

Oval Condition Review

MU Sport undertook a review of the Oval condition. SportsTurf Consultants were appointed to investigate reasons for the poor condition of the Oval, particularly during the winter period.

The outcomes of the review identified a range of contributing factors, including:

- Usage (including match and training load): the report identified the current load in terms of training and matches during the winter months as a significant contributor to its deterioration during this period.

- Management practices: the report considered the current maintenance program as correct; however, a recommendation was given to over-sow with rye grass annually.

MU Sport immediately undertook an over-sowing program with rye grass as recommended, and also instituted a ground access management framework. The guiding principle behind the framework is that the oval will be closed when it is judged that its use will damage the playing surface to the detriment of ground delivery on match day.

The over-sowing program – together with the implementation of the ground management procedure – resulted in the delivery of a far better playing surface across the 2014 winter season, which was well-received by clubs.

MAINTENANCE

Pool Plant Upgrade

The control system for the pool plant was upgraded in August as the previous system had been in place since 2004 and was becoming less reliable and more difficult to maintain.

The \$42,000 upgrade can perform water tests up to 30 times every hour to constantly track and adjust the chemical levels through incremental doses, resulting in consistently high water balance and quality while reducing chemical and energy usage.

A new electronic backwashing system further increases water quality and reduces water consumption significantly.

Maintenance

Over \$100,000 was spent on essential facility maintenance projects, including:

- External floodlight repairs
- Squash court repairs and painting
- Stadium floodlight lamp replacement
- Turf practice wicket upgrade
- Hockey pitch fencing repairs
- Oval fence painting
- Boathouse replacement floor coverings

FINANCE

Student Services and Amenities Fee

The SSAF (Student Services and Amenities Fee) was introduced in 2012, which provided \$2.28 million in funding to MU Sport, an effective \$1 million increase over the 2011 provision of \$1.25 million from the University. In 2014, the SSAF increased to \$2.4 million.

Over the last three years, these funds have been used to:

- Reduce student membership fees and venue hire charges
- Introduce a discounted student direct debit membership option
- Open a fitness facility south of Grattan Street (Lincoln Square Fitness)

- Fund new program initiatives to provide students with increased access to casual and one-off sporting and fitness opportunities at low or no cost
- Provide additional club access to MU Sport facilities at no cost
- Increase support for club coaching and management
- Provide additional support for high performance sport and elite athletes
- Develop the Oval Pavilion and Sports Centre

The long-term strategy for Sport has been to increase income from commercial activities, such as memberships, venue hire and leases, and manage or reduce expenses on programs and facilities.

The University succeeded in having its buildings (Sports Centre, Beaurepaire, Pavilion, Ski Lodge, Boat House) removed from the MU Sport balance sheet in 2014. This resulted in a significant reduction in depreciation charges (approximately \$400,000) and has allowed for further investment in sport and maintenance. The buildings are still managed by MU Sport; however, all further capital expenditure on buildings will be expensed in the year of development.

Sports Foundation

The Sports Foundation was established in 2012 and now has seven Chapters with over \$1.6 million in capital.

The Foundation raised over \$400,000 for the redevelopment of the Pavilion. The four Sport-related trust accounts managed by MU Sport have over \$700,000 in capital with \$58,000 being spent on scholarships for Elite Student Athletes in 2014.

The Sports Foundation aims to support Sport at the University.

MELBOURNE UNIVERSITY SPORT

Melbourne University Sport (MU Sport) is a semi-autonomous department of the University, reporting to Engagement and the Melbourne University Sport Board, and provides high-level policy, business and financial advice to the University on the development and management of sport and recreation at the University.

MU Sport provides professional management of the fitness, sports and recreation facilities, programs and activities of the University, and works closely with all stakeholders and external strategic partners in delivering sport and physical recreation opportunities for the University community in accordance with strategic and operational plans.

MU Sport is responsible for:

- The development of campus and off-campus facilities, and managing all University sporting facilities – in particular, the Sports Precinct, the Ski Lodge at Mt Buller and the Boat House on the Yarra River.
- Provision of fitness and recreation services and programs including fitness assessments, personal training, group fitness, physiotherapy and sports massage, support for instructional and recreational club activity, short courses, and trips and tours.
- Provision of sporting opportunities including supporting teams and individual students to compete in regional, national and international student competitions including the Australian University Games; the strategic development and operations of the competitive sporting clubs; professional management and promotion of lunchtime and college sport competitions; and support for elite level student athletes with the High Performance Sport Program and the provision of sporting scholarships.
- Ensuring the marketing and branding of Sport to support student recruitment activity and support the engagement of the alumni with University sport programs and advancement activity.
- Representing the University on matters pertaining to Sport and physical recreation to local, state and federal government, Australian University Sport (AUS), sporting bodies and related professional organisations.

STRATEGIC PLAN FOR SPORT

Sport has special significance for the University of Melbourne through the performance of sporting clubs, teams and high profile athletes that enhance the reputation of the University.

The Vision for Sport is that the University of Melbourne is the leading Australian University in sporting performance, participation and quality of facilities.

Success will be achieved when the University is recognised as the leading sporting university in the country and attracts the 'best and brightest' local and international high performance student athletes.

Pillars

Participation

That the students, staff and the broader University community regularly participate in sport, fitness and recreation activities that encourage a balanced lifestyle and build a healthy community.

Success will be achieved when programs, services and facilities are appealing, relevant and convenient, and cater for the constantly changing requirements of the University community.

Performance

That athletes, clubs and teams compete successfully at the highest level and participation establishes a lifelong connection to the University.

VISION

THAT THE UNIVERSITY OF MELBOURNE WILL BE THE LEADING AUSTRALIAN UNIVERSITY FOR SPORTING PERFORMANCE, LEVEL OF PARTICIPATION AND THE QUALITY OF FACILITIES.

PURPOSE

TO PROVIDE QUALITY SPORT, FITNESS AND RECREATION OPPORTUNITIES THAT ENHANCE THE REPUTATION OF THE UNIVERSITY.

MU SPORT BOARD

Melbourne University Sport Board: (Back L-R) Timothy Lee (Director of Sport), Adrian Collette AM (Vice Principal – Engagement), James Sutherland, Professor Richard James, Andrew Gillies. (Front L-R) Professor Margaret Abernethy, Geoff Rees (Chair), Dr Lynne Williams. Absent Dr Mitchell Anderson.

MR GEOFF REES (CHAIR)

Geoff Rees is a graduate from the University of Melbourne in Law and Commerce and is a Law Institute of Victoria accredited business law specialist.

He has extensive experience in finance, manufacturing, biotechnology, ICT and related service industries. He is regularly called on to assist, advise and resolve disputes in the area of protection, development and commercialisation of intellectual property.

His telecommunications work was recognised in Butterworth's Australian Legal Profile. He is a committee member of the Legal Practice Liability Committee, and the professional indemnity insurer for Victorian and most national law firms. He has also maintained his interest in amateur and professional sport, and continues to be the principal legal advisor to one of Australia's leading Olympic sports, which includes convening appeals and disciplinary tribunals.

During his time at the University of Melbourne, he regularly rowed for Australia and was a member of the first Australian crew to win a gold medal at a world rowing championship. During the course of the '70s,

he won gold, silver and bronze medals at world rowing championships held throughout Europe. Most recently, Geoff was part of the Masters crew who won gold at the Head of the Charles, the world's largest two-day rowing regatta. Also during his time at the University, Geoff received a Half Blue (1972), and Full Blues (1973 and 1976) for Rowing.

Appointed February 2009.

MR JAMES SUTHERLAND

James Sutherland (Bcom 1988) was a medium-fast bowler who became a versatile off-field all-rounder for both the Victorian and Australian cricket teams.

Twelfth man for Victoria's 1990-91 Sheffield Shield victory, he played four first-class matches and became a Level III coach.

As a chartered accountant, James worked as a finance manager with AFL Club Carlton for six years and, in 1998, joined the Australian Cricket Board as a general manager, commercial. He is a life member of the Melbourne University Cricket Club where he was also a coach.

James played in three first-grade premierships during a 17-year career. He is currently the CEO of Cricket Australia. During his time at the University of Melbourne, he received Full Blues (1989 and 1990) and a Half Blue (1986) for Cricket.

Appointed February 2009.

PROFESSOR MARK HARGREAVES

Mark Hargreaves completed his BSc (1982) and PhD (1989) degrees in Physiology at The University of Melbourne, and an MA (1984) in exercise physiology at the Human Performance Laboratory, Ball State University, USA.

His pre-and post-doctoral training included two visits to the University of Copenhagen.

Mark is a Fellow of the American College of Sports Medicine and Exercise and Sports Science Australia, and serves on the Board of the Victorian Institute of Sport. During his spare time, he enjoys tennis and reading sport biographies. Mark received a Full Blue (1981) in Tennis.

Appointed February 2009.

PROFESSOR RICHARD JAMES

Richard James is Pro Vice-Chancellor (Academic) and Director of the Centre for the Study of Higher Education, a leading centre for policy research in higher education.

His research program spans access and equity, the transition to university, student finances, student engagement, quality assurance and academic standards. He has published widely on the effects of social class on higher education aspirations and participation. He is a regular public commentator on higher education policy and is a member of the inaugural Higher Education Standards Panel, the national body that sets standards for the regulation of universities and other higher education providers.

Sporting-wise, in the 1970s and '80s, he represented Australia in track and field, and was the Australian 100 metres sprint champion in 1980. He remains active in sport for fitness purposes.

Appointed May 2014.

PROFESSOR MARGARET ABERNETHY

Margaret Abernethy is the Sir Douglas Copland Chair of Commerce and holds the Chair in Managerial Accounting at the University of Melbourne.

Up until 2012, she was Dean of the Faculty of Business and Economics, a position she held for over eight years. In 2008, she was named Telstra Business Woman of the Year for the Community and Government sector in recognition of her contribution to higher education.

Margaret is internationally recognised as one of the leading researchers in her field and an outstanding teacher, having taught across a range of subjects at undergraduate and graduate level. She is a Fellow of the Academy of Social Sciences.

Appointed February 2011.

DR LYNNE WILLIAMS

Lynne Williams is a graduate of the University of Melbourne, London University and Monash University. She is an independent economics consultant following a career in the public sector spanning over 30 years.

Prior to commencing consulting work, Lynne was Under Secretary for the Department of Treasury and Finance (DTF), a position she held until May 2011. Previous to this appointment, she held senior executive positions at both the federal and Victorian state level.

Since May 2011, Lynne has undertaken a range of consultancies for both the Victorian and federal governments. She is on the boards of Melbourne University Sport, the Faculty of Business and Economics and the (Federal) Climate Change Authority. She is a Fellow of the Institute of Public Administration Australia (IPAA) and of St Hilda's College (University of Melbourne) and Vice-President of Athletics International (Australia).

She represented Australia at two World Cross Country Championships and a number of international road races. She held the Australian record for three kilometres on the track and 10 kilometres on the road, and won numerous Australian and Victorian championships. Lynne received Full Blues (1974 and 1975) in Athletics.

Appointed February 2009.

DR MITCHELL ANDERSON

Mitchell Anderson is a University of Melbourne alumnus having graduated with a Bachelor of Physiotherapy with Honours (1997), a Bachelor of Science with Honours (1998) and a Bachelor of Medicine and Bachelor of Surgery (2006). He was a Melbourne University Sport High Performance Scholarship recipient from 2004 to 2006.

Mitch is an ironman triathlete and has completed 30 ironman events, including eight Hawaiian Ironman World Championships (including a best finish of 11th in 2004), and became a professional triathlete in 2003. He continues to work in the area of sports medicine as well as being a sought-after multi-media commentator.

In 2013, Mitch returned to the University as a student to study a Diploma of Surgical Anatomy. Mitch was awarded Full Blues (1997, 2001, 2002, 2003, 2004, 2005 and 2006) in Cycling.

Appointed February 2009.

MR JAMES MARBURG

Finished April 2014

James Marburg comes to the Board with extensive background in the sport of rowing.

His career at University Boat Club started in 2001 and he has been a member of national teams since 2002, competing in the past two Olympic Games (London and Beijing) and winning a silver medal in Beijing. He was also captain of the Mens Eight at varsity competitions in 2011 and 2012, and rowed at the University of Melbourne versus University of Sydney Annual Boat Race.

James is currently studying the Juris Doctor (Law) and has previously worked as a marketing and communications professional at ANZ Institutional since 2006. Prior to his current role, he was a communications consultant for a Melbourne-based advisory firm.

He has been a contributing writer to *The Age*, and engages in public debates and discourse regarding issues in sport from an athlete's perspective. James received a Full Blue (2011) and a Half Blue (2012) for Rowing.

Appointed April 2013 to February 2014.

MR ANDREW GILLIES

Andrew Gillies is currently studying a Bachelor of Commerce and a Diploma in Languages at The University of Melbourne.

As a scholarship holder at the Victorian Institute of Sport, Andrew has extensive experience in the sport of sailing. A multiple national champion, he has received a national award for sportsmanship, and was a joint recipient of the Victorian Junior Team of the Year at the Victorian Sport Awards in 2009.

He has represented Victoria in rugby union, and this began his involvement with Melbourne University Sport in 2011 as runner-up for the inaugural Young Achiever Award. He has represented the University for rugby 7s, sailing and touch rugby at the Australian University Games, as well as serving as captain for the MURFC under 20 team in 2013.

Whilst studying, Andrew has turned his leadership skills to work with a boutique strategic planning and organisation change consulting firm working as an analyst.

Appointed May 2014.

HISTORY OF SPORT AT THE UNIVERSITY OF MELBOURNE

Students have participated in organised sport and recreation activity since the formation of the University in 1853. Students returning to the colonies from Eton, Harrow and the famous Rugby School brought back the prevailing wisdom dominating the British public school system: *Mens sana in corpore sano* (a sound mind in a healthy body).

Students soon came together to compete against other universities and local clubs with the first recorded contest being a cricket match against Emerald Hill in 1857. A rowing contest occurred on the Yarra in 1859 that led to the founding of the University's first organised sporting club, the Boat Club. Intervarsity sport followed in 1870 with victories against the University of Sydney in both rowing and cricket at the MCG.

Tennis, athletics and lacrosse clubs soon emerged and came together to form the Sports Union in 1904. In the following years boxing, golf, netball, skiing, and yachting clubs were established. The University also adopted the British practice of awarding sporting Blues for outstanding sporting performance. In 1874, the land north of Tin Alley, the Sports Precinct, was given to the University for recreational purposes, with the Oval and Pavilion established soon after. The Boat House beside the Yarra was built in 1908.

Sport at the University reached significant prominence in 1908 when the University was admitted to the Victorian Football League (VFL) – the forerunner of the AFL. The Club enjoyed its best season in 1910 winning ten games out of 18 but the amateur students won just two games between 1911 and 1915 before withdrawing during the First World War.

After the Second World War, the arrival of returned servicemen and the children of post-war migrants to the University resulted in new activities including fencing, judo, badminton, basketball and soccer. Franz Stampfl arrived in 1955 to teach physical education and successfully coach a generation of student athletes, many of whom represented Australia, including 1968 Olympic gold medallist Ralph Doubell.

The Olympic Games in Melbourne in 1956 was an important catalyst for the development of sporting facilities at the

University Football Club 1929.

University. The Beaurepaire Centre, built with generous support from Sir Frank Beaurepaire, incorporated an indoor swimming pool and stadium, and the first hard surface running track was laid during this period. The Ski Lodge at Mt Buller was purchased in 1960 and, around the same time, a geodesic dome Hut was built at Mt Feathertop by the Mountaineering Club as an emergency shelter. The development in 1967 of the Sports Centre resulted in the Sports Precinct becoming one of the most distinctive and busiest multi-sport precincts in Australia.

The University has long-celebrated the achievements of its teams, clubs and athletes on the field and as community and industry leaders. World War II hero and humanitarian Edward 'Weary' Dunlop became the first Victorian-born rugby player to represent Australia in 1932, and many VFL and AFL players and administrators are counted in the alumni including 1946 Brownlow winner Dr Donald Cordner and current AFL CEO Gillon McLachlan. Sporting alumni include Australian Test cricketers Paul Sheahan and Colin MacDonald, Olympian John Landy, and gold medallists Peter Antonie, Herb Elliott, Merv Lincoln, Kathy Watt and Cathy Freeman.

The Australian University Games commenced in the 1990s and the University has continued to be a dominant force at a national level winning the Australian University Champion title six times, most recently in 2013. A great university sporting tradition also returned in 2009 with the Australian Boat Race against Sydney University reigniting a long-standing rivalry between the nation's two preeminent universities.

The Beaurepaire Centre was redeveloped in 2004 (after a five-year closure) and a sand-based synthetic hockey surface added to the middle of the athletics track.

The University committed to a substantial sports facility development program in 2009 commencing with the three-storey extension to the east side of Boat House. The Lincoln Square Fitness Centre opened in 2012 on Bouverie Street for the increasing campus population south of Grattan Street and, in 2013, the northern wing of the Sports Centre was refurbished to upgrade the squash courts and change rooms and provide two social and meeting rooms as well as administration offices.

The much-anticipated redevelopment of the Pavilion was completed in April 2014 and named after Ernie Cropley in recognition of 50 years of service to the University and Sport as head curator and active member of three sporting clubs. The naming of the Pavilion was possible due to the significant level of benefaction from the sporting alumni to the project. The University Blacks subsequently won their first VAFA Premier A flag since 1974, the first for the University Football Club in the top division since University Blues won in 2004.

Melbourne University Sport (MU Sport) has now evolved from the volunteer-based Sports Union model into a professional, managed sport department reporting to a University-appointed board. MU Sport continues to provide students with an opportunity to engage in regular physical activity and encourage quality performances from athletes, teams and clubs to ensure the University of Melbourne remains Australia's leading sporting university.

For the comprehensive history of sport at the University of Melbourne, see *The Ties that Bind* by June E. Senyard.

IN MEMORIAM

Vale Frank Henagan 1933 – 2014

Frank Patrick Henagan, champion middle distance runner and member of the training squad for the 1956 Melbourne Olympics, passed away peacefully (after a short illness) at the Epworth hospital on 8 January 2014.

Frank was heavily involved in the sporting clubs at the University, becoming a life member of the Melbourne University Athletics, Cricket and Football clubs for four decades of loyal service. His involvement with the University began in 1956 when he became a training squad member for the 1956 Melbourne Olympics. For the next 58 years, he was involved with University clubs in various ways, from coach to committee member, mentor to friend.

Frank was also a valued part of the Trinity Residential College, starting in 1976 as a groundkeeper. He coached the College's Athletics and Football teams, providing support and advice to all Trinity students who sought it for nearly 40 years. He ended up holding the Director of Sport position at Trinity, a position commensurate to his passion for sporting endeavour.

Frank turned 80 this past November, a few weeks after a gala celebration held at the MCG to celebrate his life and major milestones. He will be sorely missed by the University sporting community, University clubs and Trinity College.
