Clubs Governance Review Update

**Louise Goh,
Lawyer and Chair, CGR Working Group
Legal Services**

Clubs Governance Review:

- Examine the relationships between University, MU Sport and affiliated clubs
- Determine 'best practice' for managing these relationships
- Provide recommendations to the University on managing risk and governance
- 47 recommendations
- Working Group established

- Confirmation that all current club activities have been approved by Insurance Office
- Develop a Club Affiliation Agreement
- Review current Policies and Procedures
- Develop Safety Management Plan for each club activity
- Develop Induction/Orientation material for Club Office bearers
- Determine resource allocation required for implementation – with no additional impost on club volunteers

- Conclude CGR Working Group meetings and resource recommendations
- Provide a Briefing Note to University Chancellery
- Update to clubs via MU Sport
- Implement priority recommendations

Sport Strategic Plan

**Mr Tim Lee,
Director of Sport**

THE VISION FOR SPORT

That Sport at the University of Melbourne will provide opportunities for regular participation, quality programs and facilities, and support students in the journey to active citizenship.

The Pillars

In aligning with the Growing Esteem Strategy, Sport will:

Pillar 1: Enhance the **student/campus experience** by providing opportunities for regular **participation** and engagement in quality programs and facilities;

Pillar 2: Assist in **developing tomorrow's leaders** by supporting opportunities to demonstrate **active citizenship**.

Enhance the Student Experience

- Maintain established opportunities for regular physical activity
- Engage with students currently active outside of the University
- Engage students not participating in regular physical activity

ENGAGEMENT
PHASE 4
STRATEGIC OBJECTIVES

Targeted engagement with key University of Melbourne stakeholders to develop strategic objectives that will enable the vision to be realised.

What is the Campus Development Framework?

The Campus Development Framework (CDF) will launch the vision for the Parkville campus with principles and values that are drawn from the broad community who use the campus on a regular basis.

The CDF will be the blueprint that guides the planning, design, and development of the campus.

What is *Our Campus TellUs* all about?

Our Campus TellUs is an invitation to communities who study, teach, work or live near the Parkville campus.

It's your chance to let the University know what you like and don't like about the Parkville campus as well as how we can improve it.

Tell us what you think!

- Support Volunteerism
- Support Aspiration
- Demonstrate leadership on important social issues
- Recruit and support talented student athletes
- Engage with alumni
